History of The Ailey School

The Ailey School is the official school of the world-renowned Alvin Ailey American Dance Theater. In 1969, Alvin Ailey founded The Ailey School (then called the Alvin Ailey American Dance Center) in Brooklyn, New York, with an initial enrollment of 125 students. In 1970, Mr. Ailey joined forces with Pearl Lang to establish the American Dance Center in Manhattan. Today, under the direction of Tracy Inman and Melanie Person, a prestigious faculty trains approximately 3,500 students annually, offering more than 160 classes weekly.

Located in New York City's Theater District, The Ailey School houses 12 spacious studios, a fully equipped theater with 295 seats, student and faculty lounges, dressing rooms, a library, classrooms, conference rooms, an Ailey boutique and administrative offices. Our student body hails from every part of the world, representing a diversity of racial and ethnic backgrounds. Unique among dance academies, The Ailey School offers an accredited and comprehensive curriculum including ballet, Dunham, Graham-based modern, Horton, jazz, tap and West African dance. The school rounds out its curriculum with courses in barre a terre, body conditioning, yoga, Gyrokinesis®, partnering, repertory, improvisation, dance composition, dance history, music and theater arts, and performance opportunities.

A junior performing company, Ailey II, is the resident company of the Alvin Ailey Dance Foundation. Ailey School students are often invited to join Ailey II by its Artistic Director. Other students pursue successful careers as performers, choreographers and teachers with professional dance companies in the United States and abroad. Many appear in film, on television and on the Broadway stage. Some also choose to become health practitioners, teachers or to work in the corporate world, and they support dance as patrons and members of the audience.

Guided by Alvin Ailey's belief that dance instruction should be made available to everyone, The Ailey School offers a range of programs providing training at all levels. The Ailey School offers the following Professional Division programs to its students (Ages 16 and older):

- ★ The Ailey School/Fordham University BFA Program
- ★ The Ailey School Scholarship Program
- ★ The Certificate Program
- ★ Independent Study Program

MISSION OF THE AILEY SCHOOL

The Ailey School honors the vision of Alvin Ailey by providing superior professional dance training and artistic leadership. Students of all ages and nationalities come from all over the world to train in our nurturing environment of creativity, passion, and professionalism through an accredited curriculum led by esteemed faculty, staff, and choreographers who produce outstanding dance professionals of tomorrow.

The COVID-19 Ailey School Pledge

As a member The Ailey School community, I take the following actions on and off campus to help safeguard the students, faculty, and staff at the Alvin Ailey Dance Foundation (AADF):

- I will wear a mask/face covering at all times at the Joan Weill Center for Dance, both indoors and outdoors, and when taking part in Ailey School activities off-campus;
- I will wash my hands frequently and thoroughly (for 20 seconds, minimum), especially after contact with surfaces and items in public areas, after eating, coughing, sneezing, or wiping one's nose;
- I will maintain appropriate social distancing at all times on and off-campus;
- I will self-monitor for COVID-19 symptoms, and complete daily HealthCheck screenings;
- I will follow the directions of AADF officials regarding face coverings, testing, screening, and quarantine (if necessary), and cooperate with The Ailey School's contact tracing efforts, if called upon to do so;
- I will follow The Ailey School protocols for COVID-19 testing, and report results promptly, if those tests are conducted by my personal physician or other healthcare provider;
- I will follow AADF's and New York state's isolation and quarantine protocols;
- I will follow AADF and public health guidance regarding the seasonal influenza vaccine when it becomes available, and regarding a COVID-19 vaccine once a medically recommended vaccine becomes available (accommodations will be considered for those who request them);
- I will comply with all signage and rules regarding access to the Joan Weill Center for Dance and ingress, egress, and seating in the buildings;
- AADF and The Ailey School are taking exhaustive measure to protect the campus community, and I understand that COVID-19 poses a serious threat to health and safety.
I will make conscious choices, on and off-campus, to help to limit the spread of COVID-19 to others in the community. I will act in the spirit of a person for others, knowing that I am helping to protect the campus community from illness.

The Ailey School and Ailey Forward

The Alvin Ailey Dance Foundation, Inc., (Ailey) has developed a comprehensive plan, [Ailey Forward](#), for reopening of The Ailey School at The Joan Weill Center for Dance (The Center) at 405 West 55th Street, New York, New York for the organization's fiscal year 2021. Careful planning to welcome students, teachers, musicians, and essential staff addresses public health concerns and outlines how The Ailey School community can return to The Center while reducing the risk of transmission of the Covid-19 virus.

Ailey has established methods of screening, contact tracing & isolation, modified operations, enhanced cleaning, and planned an education campaign around safe behaviors that optimize the safety of students, faculty and employees. **Ailey Forward** is fully compliant with the directives of New York State Governor's office, as communicated in [New York Forward](#).

It is recommended that each and every student of The Ailey School read [Ailey Forward](#) prior to returning to School. Ailey Forward includes **Fordham Forward** which is Fordham University's Safety Plan, and Fordham BFA Students are required to adhere to the University's Safety guidelines as well. Ailey Forward includes the School of Visual Arts' Safety Plan, and Certificate and Scholarship Students residing at Ludlow Residence Hall are required to adhere to the School of Visual Art's (SVA) Safety Plan as well.

FAQ's

1. Will I have to register for a health screening app to enter The Ailey School?

Yes. Ailey's app is Healthcheck. This is a separate app from the health screening app utilized by Fordham University (for BFA students) and separate from the health attestation kiosk (SPLAN) located at the Ludlow Residence (for students residing at Ludlow).

[Healthcheck password reset](#)>

[Healthcheck FAQ's](#)>

2. Will I need to get a COVID-19 Test before commencing classes at The Ailey School?

Yes. All students regardless of vaccination status must get a **COVID-19 PCR** (not antigen) **Test 5 or less** days prior to their first class at the **beginning of the 2021 Summer Intensive, the fall 2021 term, and the spring 2022 term**. Students must send test results to [the Assistant to the School Co-Director](#) by email. Students should refer to [NY Forward](#) for the most current travel advisories, quarantine requirements, and "testing out" options.

If your test results are not returned by the time you are scheduled to begin classes at The Ailey School, contact [the Assistant to the School Co-Director](#).

3. Where can I get a test in NYC?

Students can get a free COVID-19 test at many local pharmacies, or at one of the sites listed at the following links:

<https://www.nychealthandhospitals.org/covid-19-testing-sites/>

<https://www1.nyc.gov/site/coronavirus/get-tested/covid-19-testing.page>

4. When I enter The Ailey School, will I be required to wear a mask?

Yes. Students are encouraged to bring their own mask that can be washed and re-used daily. Ailey will also have enough disposable masks, gloves, face shields upon special request through The Ailey School, hand sanitizers, and wipes on hand for everyone in the building.

5. Will I need to wear a mask in class?

Yes. For the safety of everyone in the building, all dancers, students, faculty, musicians and staff are *always* required to wear a mask. All staff in The Joan Weill Center for Dance are always also required to wear a mask regardless of single office occupancy. Staff required to circulate in public areas are required to wear KN95 masks and these are provided by Ailey.

Ailey recommends that everyone returning to the building consult [NY Forward](#) and [CDC](#) to learn about masks in order to make personal decisions. However, Ailey does NOT recommend Gaitors, fleece, or bandanas. Ailey does *recommend* at least two layers of cloth in masks. Masks should be washed at home frequently.

6. Will I have to take my temperature as part of the app screening?

Yes, students must take their temperature every morning **prior to logging** into the Healthcheck app. All students are required to have a digital thermometer.

7. When I arrive at The Ailey School, will I get a temperature check?

Yes. You will be required to take your no contact temperature prior to proceeding into the building. If you register a temperature of 100.4 degrees or higher, you will not be permitted to proceed into the building.

8. How is the MTA keeping the subways and busses clean and safe during the pandemic?

The MTA is disinfecting trains, buses, and subway stations more frequently, and testing new technology to help keep everyone healthy. Information can be found at [Governor.ny.gov](#)

9. What happens if I test positive for Covid-19?

All who test positive will be required to quarantine for 14 days. Other non-vaccinated students who have been in contact with someone who tested positive will also need to quarantine. In both cases, Ailey has a protocol to trace and communicate to the Ailey community.

10. Should I get a flu shot this fall?

Yes, we encourage all students, faculty, musicians and staff to receive their annual flu shots.

11. What is Ailey doing to clean its building and maximize air flow?

Ailey is following all [Center for Disease Control \(CDC\)](#) and Dance USA guidelines on cleaning and air flow. Details can be found in [Ailey Forward](#). In brief, Ailey will clean all studios with electrostatic sprayers, use CDC approved cleaning supplies, and maximize airflow and air filters (Merv 13 and higher) in the HVAC system. Bathrooms are fully hands-free including toilet seat activated flushing devices.

12. Are the studios designed for social distancing?

Yes. Students will be training a minimum of 6 feet apart from one another or as directed by CDC and Government guidelines.

13. How can I be best prepared to safely commence enrollment at The Ailey School?

We suggest you make a check-list to be certain you have covered some essential things, such as:

- Make sure you have a digital thermometer to monitor your temperature daily.
- Contact your primary care physician to see if they provide telehealth services.
- Make sure your health insurance is up to date, valid for the full duration of your enrollment at The Ailey School and is valid in New York State.
- Have enough CDC-recommended face masks for daily wear at The Ailey School.
- Have a supply of small bottles of hand sanitizer you can carry with you daily.
- Bring a basic First Aid Kit with you (ie: pain reliever/fever reducer, a supply of any personal medications you are prescribed to take by a physician, etc.).
- Make sure your Emergency Contact person is listed in your cell phone under I.C.E. (In Case of Emergency)
- Make sure The Ailey School has your current telephone number and email on file, as well as that of your emergency contact person.

14. I am arriving from a state with a significant degree of community-wide spread of COVID-19. Do I need to quarantine when I arrive in New York?

No. New York Forward states:

The travel guidelines require all New Yorkers, as well as those visiting from out-of-state or another country, to take personal responsibility for compliance in the best interest of public health and safety.

Asymptomatic travelers entering New York from another country, U.S. state, or territory **are no longer required** to test or quarantine as of April 10, 2021. Quarantine, consistent with the CDC recommendations, is **still recommended** for all travelers who are not fully vaccinated or have not

recovered from laboratory confirmed COVID-19 during the previous 3 months. Symptomatic travelers must immediately self-isolate and contact the local health department or their healthcare providers to determine if they should seek COVID-19 testing.

All travelers entering New York from a state that is not a contiguous state who have been outside of New York for more than 24 hours must complete the [Traveler Health Form](#). Contiguous states to New York are Pennsylvania, New Jersey, Connecticut, Massachusetts and Vermont.

15. What happens if there is a COVID-19 outbreak, or if I come into close contact with someone who has tested positive for COVID-19?

Contact tracing methods are in place to track the spread of infection through the *HealthCheck* app. If a student shows symptoms of, or tests positive for COVID-19, the students and instructors in a cohort of fully vaccinated students will not be asked to quarantine. Students in a cohort of both vaccinated and unvaccinated students will be asked to quarantine, **and self-monitor as guided by the [CDC](#) and Government regulations.**

In the event that a cohort needs to quarantine, in-person instruction will be terminated, and classes will continue virtually.

16. Who can I contact if I have concerns that may not have been addressed in these FAQs?

Students are encouraged to email aileyforward@alvinaily.org for ongoing questions, which will be kept confidential. Please use the subject line **STUDENT COVID QUESTION**.

Additionally, your school leaders are here to hear! Students can email their Faculty Advisor, School Staff, or The Ailey School Co-Directors with questions.

17. Where can I find more information about COVID-19?

NOTICE TO STUDENTS REGARDING THE 2021-2022

Due to the fluidity of the COVID pandemic, the contents of this Handbook are subject to change without notice. Students should refer to all notations in **RED type for updates and changes to existing rules and regulations, or otherwise abide by existing policies.**

The following is intended as a guide and resource for all full-time students and contains The Ailey School policies, procedures and guidelines, and other helpful information.

Section 1: STUDENT GUIDELINES

Attendance

Perfect or near perfect attendance (participating in a minimum of 90% in all assigned courses) is required of all full-time Professional Division students. Absences related to COVID-19 other illnesses or injury will be excused with a note from The Ailey School physical therapist or a doctor. Students who are required to quarantine are expected to observe classes online until they are well enough to return to class. Before returning to in-person classes, students must obtain clearance from The Ailey School physical therapist (for injury or dance-related) or a doctor (for medical reasons). All Professional Division Students are required to meet virtually (online) with their Faculty Advisor regarding all absences. Students are responsible for managing their attendance record and are encouraged to request their Attendance Report regularly from the Registrar here: Attendance Request Form. Late Excuse Forms will NOT be accepted (beyond a week from missed class). Recorded absences will not be amended once evaluation meetings are scheduled. Students who receive a failing grades due to excessive unexcused absences will not receive credit for their class. Students are required to sign-in to each and every class using a QR code which will be posted in the studio of the class they are scheduled to take. QR codes must be scanned prior to each class.

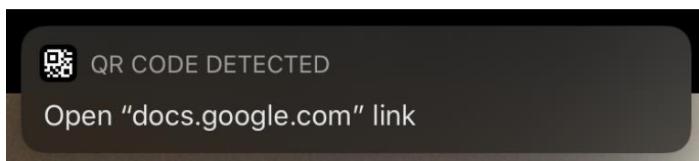

ATTENDANCE PROCEDURE

To avoid viral exposure, we have moved the attendance procedure to a no-contact online student sign in form. Your attendance is your responsibility, and every student is required to follow these attendance procedures at the top of every class.

- 1) To complete the attendance form you must be logged into your **Ailey.School** Gsuite account on your phone's web browser. If you need assistance with your **Ailey.School** account, please contact kmiller@alvinailey.org
- 2) After entering the studio, find the QR code for your cohort posted on the wall in each studio. A QR code looks like this:

- 3) Open the camera app on your phone and focus the camera on the QR code designated for your cohort.
- 4) Most phones will immediately recognize the QR code and a link will pop up at the top of your screen. If you do not see a code pop up, you may need to download a free QR code reader app from your phone's app store.

- 5) Click on the pop-up message to visit the linked "Attendance Form".
- 6) Complete the Attendance form for the class you are currently attending. You will receive a confirmation email that your form has been submitted.
- 7) Repeat this process at the beginning of each class you attend throughout the day. Attendance form submissions are timestamped and will not be processed if submitted after the allotted class time.
- 8) Please DO NOT take attendance for any other student. Your instructor will be checking to make sure only the students that are physically present in the class are marked as present.
- 9) If you are unable to complete the form, you must email the Registrar (registrar@alvinailey.org) immediately.

Grading & Attendance Policies

- Final class grades will be an average of 40% Performance and 60% Attendance.
- All Professional Division students are required to receive passing grades in Performance and Attendance for full credit.
- 2 observed classes = 1 unexcused absence (Medical or PT observances with a note are not penalized)
- Classes missed the day before or after a School holiday will be marked as a double absence.
- Students will NOT be excused for Physical Therapy appointments that are scheduled during their class times. Students must make every effort to see the PT when they do not have class. If no time slots are available that do not conflict with classes, students must notify their Advisors prior to seeing the PT to get approval for the appointment.

- Reasonable accommodations will be made for absences due to religious observances. Students are encouraged to tell their instructors and Faculty Advisor in advance of any planned absences for religious observances.
- Satisfactory artistic and technical ability in class do not outweigh a deduction in grade due to poor attendance.
- Late Excuse Forms will NOT be accepted, and all attendance must be finalized prior to evaluation meetings with Faculty Advisors.

Students who are in danger of receiving a failing grade due to excessive unexcused absences will risk being placed on probation and/or dismissal from The Ailey School.

Leaves of Absence

Students must take the following steps for extended medical or personal absences:

Medical Absence/Leave

Students who miss, or expect to miss, 3 consecutive days or more due to COVID-19, other illness, or injuries must take the following steps. Medical leaves of less than 3 days are subject to the Co-Director's approval.

1. Contact their Faculty Advisor by email to request a 'Medical Absence/Leave' in writing on the first day of the absence. The Advisor will send a Medical Absence/Leave form for the student to complete and submit by email within 36 hours.

BFA students - Email the completed request form to their Faculty Advisor.

Certificate, Independent Study and Scholarship students - email the completed request form to their Faculty Advisor.

2. Prior to the student's return/recovery, they must submit a Confirmation of Medical Visit form and submit it to their Faculty Advisor. The Confirmation of Medical Visit, or letter from the doctor, must be signed by a Physician (if the reason is medical) or Physical Therapist (if the reason is injury or dance-related) and state the expected start and end dates of the student's absence and the diagnosis. Student must sign the Medical Absence/Leave form at that time.

3. The Ailey School Co-Directors will review the request and determine if the absences will be excused without compromising the students' grades. ***Medical Absences/Leaves will not be approved without a signed doctor's note indicating the diagnosis/cause for absence.***

Personal Leaves of Absence / Quarantine leave of absence

Students may request a Personal Absence/Leave for emergencies beyond the students control and other extraordinary, mitigating circumstances, such as the need to quarantine due to exposure to COVID-19. As soon as the student is aware that they will miss classes they must take the following steps:

1. Contact their Faculty Advisor by email to request a Personal Leave. The Faculty Advisor will send a Personal Absence/Leave form for the student to complete and submit by email within 36 hours.

BFA students- email the completed request form to their Faculty Advisor. Certificate, Independent Study, and Scholarship students - email the completed request form to their Faculty Advisor.

2. The student must attach written proof verifying the reason for the absence.

3. The Ailey School Co-Directors will review the request and determine if the absences can be excused without compromising the students' grades.

Make-up for absences:

Students who need to make-up coursework to successfully complete a program must meet with The Ailey School Co-Directors to determine how, if, and when the coursework will be made-up (see next section for BFA make-up policy). The determining factors will be based on the syllabus for each course, technique, and at which point in the semester the student stopped attending class. If a

student or an entire cohort of students is forced to quarantine for any reason, all of their classes will be moved to an online platform. Students whose classes are moved online will be required to provide a synopsis of each online class assigned to them.

BFA Make-up classes for absences:

If a BFA student takes a medical or personal leave which exceeds three weeks, the student is required to attend two of The Ailey School Summer Intensives to make-up the coursework – absolutely no exceptions. During the semester in which the student is injured, the student must remain registered for their dance and academic courses at Fordham University. At the end of the semester, the student will receive a grade of “In-Progress” or “IP” for their registered dance courses. The grade of “IP” is used as a temporary placeholder for coursework that extends beyond a single semester and does not negatively impact the student’s transcripts.

During the summer intensives, the student will take the dance classes registered for during the semester of injury. The student will not pay The Ailey School Summer Intensive tuition. The student is responsible for arranging housing and housing expenses. It is not until the student completes two summer intensives at The Ailey School that their grade will be updated from “IP” to the final grade. The final grade is an average of the grades the student earned from both summers. Attendance at The Ailey School Summer Intensive prior to the student’s enrollment in the BFA Program will not be accepted for make-up credit.

Duration of leaves/Multiple leaves

If a medical absence or personal leave is for a total of 10 days or more the Co-Directors may ask the student to take a leave of absence for the remainder of the term or the academic year. Requests for reinstatement will be considered on a case-by-case basis by the Co-Directors and require a Clearance Note confirming that the student has been medically cleared to return to dance.

Credit will not be given for courses taken when a student withdraws before the end of the term.

Tuition will be charged according to The Ailey School's refund policy. At The Ailey School's discretion, tuition may be prorated for medical leaves of absence.

Procedure if classes must be moved online

In the event of a quarantine/lockdown, and a cohort or the entire school must be moved online, we will require all students to access their classes through Google Classrooms and Zoom. You will receive a Virtual Program Guide along with your other Orientation materials that will guide you on how to set up your Google Classroom accounts.

- The in-person class schedule will be duplicated to Live Online classes – your class schedule will remain the same.
- Students will be required to have a personal laptop/tablet that they can access the internet. The laptop/tablet must also have a camera and microphone. Your camera must remain on the ENTIRE TIME, otherwise you will be marked as absent.
- If you are more than 10 minutes late to signing on for class, you will be marked as ‘absent’.

- If you need to observe virtual classes for any reason, you must first clear the request with your advisor.
- If observing class, you are still required to sign in for each class using the link the host will drop into the chat box at the beginning of each class.
- You will access all your technique classes through your cohort class with a recurring Zoom link.
- The school may require up to a 2-business day turnaround time to make sure all classes are scheduled online correctly and that all students and faculty have access to their Google Classrooms.
- Students will receive email updates to their ailey.school email address letting them know when classes will resume online.
- The 2 interim days that classes are not happening; students will be marked as excused from their classes.
- If a student begins to feel ill during their 14-day quarantine, they must alert the Assistant to the School Co-Director via email (rhines@alvinailey.org) send a doctor's note (via email) to their advisor to be excused from classes.

Other Absences

Workshops

2021-2022 All performances and repertory workshops have been cancelled until further notice.

“Ailey Events” - Other

Occasionally, students are required to participate in “Ailey Events” that are sanctioned by the School. Within one week of the absence, student must go to the Current Students page of The Ailey School website and fill out the “School Event Form” for all classes missed due to an approved Ailey Event. The Assistant to the Admissions Director will notate the missed classes accordingly.

The following are approved Ailey Events

- Advisor/Evaluation Meeting (Virtual)
- BFA/Fordham Monday Schedule
- Jury Classes/Exams
- School Meetings (Virtual)

External Audition

The Ailey School understands the value and importance of gaining experience through attending external auditions. However, it is critical for enrolled students to maintain consistency in their training to successfully complete their program. For the safety and well-being of everyone in The Ailey School, it is strongly suggested that you do not attend in-person external auditions. Currently, only External Audition Forms that list virtual/online will be considered for approval. A copy or posting of the virtual/online audition must be attached to your External Audition Form. Students are required to submit an External Audition Form to their advisor at least 48 hours before participating in any

virtual/online external audition. Final Approval will be determined by The School Co-Directors. It is the responsibility of the student to confirm approval of their request before attending any virtual/online external auditions.

This chart indicates the number of approved/excused auditions you are allowed to attend without impacting your grade. If students do not use all of the approved/excused auditions allotted in the Fall semester, these approved/excused auditions will roll over into the Spring semester when external auditions are more prevalent.

Teacher's Absence Procedure-

Instructors are responsible for arranging substitutes for any classes they are unable to teach. However, due to last minute emergencies, travel delays, and other unforeseen occurrences, instructors may be unable to make it to their scheduled classes. In the event of teacher lateness, students should alert the Studio Manager/Hall Monitor within 10 minutes of the class starting time. Students should wait in the studio for 20 minutes and if the instructor has not arrived by that time, they may leave. Students who leave the studio before waiting 20 minutes will be marked absent, even if the instructor does not arrive to teach. Students who have a subsequent class in the same studio must remain in that studio until their next class begins and not meander throughout common areas of the building.

Grading

The purpose of grading is to provide each student with an assessment of their progress during the term. The grade is meant to reflect the student's work and progress during the term. Grades should

be used by students to help understand where they have succeeded and to identify aspects and areas that need improvement. Each student is evaluated by every teacher with whom they study. Students enrolled at The Ailey School will receive letter grades on their evaluations. The student's physical performance is considered as well as categories which refer to the student's behavior, attitude, and work habits in class. The following are guidelines in determining a student's grade each term.

Attendance: Perfect or near perfect attendance is essential. Students whose progress has been impaired by excessive unexcused absences risk failing a course.

Technical progress: Students must demonstrate technical progress. Students are expected to have the highest level of focus and commitment, as well as the ability to retain corrections and material.

Artistic progress: Students are expected to demonstrate notable artistic progress in areas of dynamics, musicality, projection and phrasing.

Other areas: Students are expected to exhibit the highest level of work ethic. Students must demonstrate proper classroom etiquette and observe the dress code and other rules and regulations of the School.

The final grade of PASS or FAIL is determined by the instructor and represents overall technical and artistic progress as well as attendance.

Note: Attendance and performance in class during the **period between the writing of student evaluations and the end of the term** will be considered when determining the students' pass or fail grade.

<u>Letter grade</u>	<u>GPA*</u>	<u>Level of course work and performance</u>

C.....	2.00	Satisfactory. Acceptable level of performance.
C-.....	1.67	Minimally acceptable.
D**.....	1.00	Fail. Below average performance.

*GPA = grade point average

** All students are required to attain at least a C grade in order to pass their courses.

Evaluations

2021-2022 – All Faculty evaluation meetings will be done remotely via Zoom. Students will be invited to their advisor class in Google Classrooms and make a meeting using the Google calendar feature. Each student will then meet virtually with their advisor.

In the last month of each term, all Professional Division Students will receive written evaluations from each of their teachers. The Registrar assigns each student to a Faculty Advisor or to one of the Directors of the School for a virtual/online evaluation conference in which the student's evaluations and program completion requirements are reviewed. At that time, tentative grades and a schedule for the subsequent term is given. At the mid-point and end of the Fall and Spring terms, the Registrar completes each student's attendance record and receives final pass/fail grade from the faculty.

Transfer Credit Policy

Each program has a separate policy. Transfer credits are accepted for the Ailey/Fordham BFA Program according to Fordham University's policy on transfer credits. Transfer credits for the Certificate Program are granted for Dance Academic Courses only, and on a case by case basis after review of the course curriculum and credit hours for which transfer credits are requested. Transfer credits are *not* accepted for the Independent Study Program or the Scholarship Program.

Registration Policy

In order for a student to be full enrolled at The Ailey School they must complete the registration process by submitting the items listed below (*asterisks indicate items due every term – fall; spring; and summer):

- Tuition and all other required fees*
- Enrollment Form*
- Consumer Statement of Understanding Form*
- Health Form (required every year of enrollment)
- Current valid health insurance coverage for the duration of study
- Section 11 and 12 for New Students
- Covid-19 Ailey School Pledge

All new students are required to attend Orientation and placement classes for new students upon initial enrollment at the beginning of the fall or summer terms. Students will not be allowed to begin classes until they have fully completed all registration procedures every term.

Probation: Students may be placed on probation for any of the following reasons:

- Excessive unexcused absences resulting in a failing grade in any course.
- Unsatisfactory or limited progress in assigned courses.

- Unauthorized leaves of absence and early departures before the last day of the term.
- Unacceptable behavior inside the School.
- Unacceptable behavior outside of the School when serving as a representative of The Ailey School.

A student's continued enrollment in the Professional Division is contingent upon their meeting Satisfactory Academic Progress requirements. The Ailey School staff closely monitors both the attendance and faculty and staff evaluation of all aspects of the student's work when a student is placed on probation. BFA, Certificate and Independent Study students who are on probation for poor attendance may be dismissed from their Program if they continue to accrue excessive unexcused absences. Probation for third year Certificate students means that they would not be able to graduate with their class and would have to attend for another semester. For those Certificate and Independent Study students receiving federal financial aid, absences from class will result in a reduction of the amount of their financial aid. Furthermore, unsatisfactory progress in courses will lead to probation, and, if not significantly improved upon in the subsequent term, can result in the discontinuation of aid and termination from the Program. Those Scholarship students who are on probation and who fail to rectify their status will not be permitted to re-audition for the Scholarship Program.

Dismissal

The Ailey School maintains the right to dismiss any student who does not abide by its Code of Conduct, Rules and Regulations, the *COVID-19 Ailey Pledge*, or the safety protocols outlined in the [Ailey Forward](#) Safety Plan. Other grounds for dismissal include but are not limited to; failure to make satisfactory academic progress; failure to make artistic and technical progress; and failure to maintain the attendance policy. The Ailey School tries to avoid taking this extreme measure by providing individual counseling services through its Faculty Advisors and selected administrative staff members, including The Ailey School Directors.

Withdrawals, Refunds, & Financial Aid Repayment Policies

In order to obtain an official withdrawal, students must submit a Withdrawal Form to their Faculty Advisor, who will then submit it to The Ailey School Directors. The tuition charge will be assessed according to the student's last date of attendance and the school's published refund policy.

Advisement & Counseling

2021-2022 All advisement, counseling, and meetings with Ailey School Faculty Advisors, School Co-Directors, and Administrative Staff will be held remotely for the foreseeable future.

Advisor meetings will be made through *Google Classrooms*. All other School staff members will make appointments by email.

The Ailey School recognizes the value of clear and frequent communication among students, faculty, and staff and the importance of mentoring in the learning process. To that end, the school has established the following channels to communicate with and advise students:

- ★ Faculty Advisors and staff, including The Ailey School Directors, reserve weekly conference time to advise and mentor students on artistic, procedural and personal concerns. The staff is careful to make referrals to a range of recommended professionals when appropriate. In addition, faculty members make themselves available, upon request, to speak to students.
- ★ At the beginning of each Fall term, students elect representatives from each full-time program who meets remotely every month with The Ailey School staff or Faculty Advisors. They act as liaisons between the staff and students, conveying concerns and responses and sharing information.

Schedule Changes

All BFA, Certificate, Independent Study and Scholarship students are permitted to take only those courses assigned to them. Students remain in one technique level all year long. Ailey/Fordham BFA students are subject to Fordham University's add/drop deadlines.

Workshops & Repertory Classes

2021-2022 All performances and repertory workshops have been cancelled until further notice.

Performances outside of The Ailey School

2021-2022 Students are advised to refer to the COVID-19 Ailey Pledge and to the Ailey Forward Safety Plan regarding safety and social distancing protocols when participating in outside activities.

The Ailey School considers performances with outside professional companies a beneficial experience for its advanced students. For the safety and well-being of everyone in The Ailey School, it is strongly suggested that you do not engage in any external performances or workshops that require in-person attendance. Students must request permission from the Directors to rehearse and perform with outside artists. At times, The Ailey School discourages its elementary and intermediate students from seeking professional experience until it considers them sufficiently prepared.

Continuation in Another Program

Students may audition to continue training at The Ailey School in another program after they satisfactorily complete the program they are currently enrolled in. The student must then follow the admission/audition process for acceptance to the new program. Permission to audition for another program is always contingent upon review of the student's past evaluations and attendance records. The Co-Directors' reserve the right to refuse the student permission to audition for further study at The Ailey School.

*Students wishing to apply to the **BFA Program** as a transfer student must make an appointment with the BFA Program Director for instructions on how to do so.

Work/Study Schedules

2021-2022 Federal Work Study is not available for Certificate Program students.

Scholarship work hours are not required. BFA students should refer to the Fordham University Student Handbook.

Section 2: CURRICULUM

Certificate Program

2021-2022 The Certificate Program requirements may be modified for 2021-2022 due to Covid-19 safety requirements. Please speak with Mr. Freddie Moore, the Certificate Program Faculty Advisor, for the specific details of fulfilling your program requirements.

The Certificate Program is a three-year program for advanced/beginner to intermediate level students ages 17-23 who have completed their secondary school requirements. This program takes a conservatory approach to dance training, combining dance techniques, dance academics, creative studies, and a repertory and performance course. The Certificate Program progressively develops and enhances the artistic and technical skills of the individual dancer to aid them in attaining their goals as dance professionals.

The weekly schedule includes 15 to 17 dance technique and somatic classes. Core curriculum consists of daily classes in ballet which may include classes in Pointe for women and Men's Ballet for, intermediate/advanced students. Horton and/or Graham-based Modern are taken 5-6 times per week. Supplemental and elective classes include; Taylor-based Modern, jazz, tap, Dunham, West African, barre-à-terre, yoga, Gyrokinesis®, and body conditioning. Creative courses and dance academics such as improvisation, dance composition, dance history, music, and theater arts are also offered.

Dance Academic and Creative Courses Required to Complete the Certificate Program

Minimum Level Required	Numbers of classes taken per week
Ballet IV	Five (5), including Men's Ballet
Horton III, and Modern II, OR Modern III, and Horton II	Maximum Offered
Jazz II	Two (2)
Tap	Two (2)
Dunham II and West African Dance	Two (2)
Modern Partnering and Ballet Partnering	One (1)
Two Terms of Repertory and Performance Workshop	Maximum Offered
One term Body Conditioning or Barre a Terre	Two (2)
One term Yoga or Gyrokinesis®	Two (2)

Certificate students are required to take dance academic and creative studies courses offered at The Ailey School. Scholarship students have the option of taking one academic course per semester. If failed, these courses may be repeated once only for credit.

At the discretion of the instructor, a final grade of "Incomplete" can be given to a student. It is the student's responsibility, before the end of the subsequent term, to make the necessary arrangements with that course's instructor for the completion of the work. When these arrangements have been made and the work completed and submitted to the instructor, the instructor will submit in writing to the Registrar the student's revised grade. Grades of "Incomplete" automatically become "Fail" or "F's" at the end of the subsequent term, if the work has not been completed.

Students who have passed equivalent Music, Dance History and Theater Arts courses in U.S. colleges and universities may request to be exempted from these courses at The Ailey School. They must first discuss their request with the teacher of the course and provide the Registrar with an official transcript from their college or university that lists the course(s) and grade(s). The Ailey School Directors then review the student's transcript and notify the Registrar of their decision. Students may contact the Registrar for a report of this decision

Value of Certificate Program credits:

Courses attempted are measured in both credit-hour& clock-hour values.

The number of credit hours a student earns for each course successfully passed is calculated as follows:

- ★A student earns one (1) credit-hour for each one-and-a-half (1.5) hour class successfully passed during the Spring or Fall term.

Concurrently, the number of clock hours a student earns is based on the number of hours they are in class plus preparatory and recuperative time outside the course. As technique courses are taught in one-and-a-half hour units, students earn an equivalent two (2) clock hours for each one-and-a-half hour of instruction: for (1.5) hour of instruction plus .5 hour of preparation and recuperation.

Value of Certificate Program grades

Technique Courses:

Following auditions, students are placed in technique courses according to their level of proficiency. Students are evaluated in each course at the end of every semester they complete. Technique courses are graded on a Pass/Fail or letter-grade basis. Courses are repeatable for credit until students are promoted to the next level of technique.

Dance theory/academic courses:

Dance theory/academic courses are graded on either a PASS/FAIL or letter grade basis. In the event a student does not receive a C or better for an attempted course, it may be repeated once. As all theory/academic courses must be taken in sequence, students cannot advance to the next course level, unless they have passed the prior level of instruction as listed below:

Improvisation is a required prerequisite for Dance Composition I.

Dance Composition I is required prerequisite for Dance Composition II.

Credit will be awarded for the following grades:

Percentage of course material passed

"Pass"	60% and above
"A"	90-100%
"B"	80-89%
"C"	70-79%

Credit will not be granted for the following grades:

Percentage of course material passed

"D"	60% or below
"FAIL"	59% or below
"F"	59% or below
"I"	"Incomplete"

Note, a grade of "Incomplete" automatically becomes a failure, or "F", if not completed at the end of the subsequent semester or the next semester the course is offered. For purposes of measuring a student's

satisfactory progress, or advancement to the next level of instruction, a grade of "Incomplete" is not considered a passing grade. An "Incomplete" is the only grade that can be changed. "W" "Withdrawals" are excluded from Satisfactory Progress measurements.

Certificate Program Satisfactory Progress Measurements:

As this program is designed to allow the advanced beginner to meet certificate requirements within three years, students are expected to pass 100% of the courses. Should a student fail a course, they will be placed on probation in the subsequent semester. This student is expected to repeat any courses that they have failed. The student will not make satisfactory progress if the courses are failed again and will not be able to receive financial aid unless satisfactory progress is restored. Certificate Program students are not allowed to extend enrollment into a fourth year.

Appeal Procedure for Academic Probationary Status

You may appeal your probationary status in writing to the Directors of the School. The written conclusions of the Appeal Committee (composed of the Directors of the School and two selected members of the school administrative and/or teaching staff) will be forwarded to you by the office staff within two weeks of the appeal. For a successful appeal, the following factors are considered in re-determining whether you have made satisfactory progress:

Section 4: STUDENT LIFE

Physical Therapy Services

2021-2022 These procedures have been updated to conform to COVID-19 social distancing and safety mandates

The Ailey School offers Physical Therapy Services (PTS) to all full-time enrolled Professional Division students. A Physical Therapy fee each semester covers one-on-one visits and workshops. If a student wishes to utilize the Physical Therapy Services more than the allotted 4 visits per semester, they must pay a \$60 fee for another round of up to 4 visits. PTS offers an excellent opportunity for dancers to learn about their own bodies.

The Physical Therapists at The Ailey School are not medical doctors. They do not offer diagnoses of medical problems or physical conditions that are beyond the range of those that are likely to occur in class or during rehearsals. However, they are doctors of physical therapy and are trained to evaluate the musculoskeletal system and identify movement problems. Physical Therapists will offer evaluations of injuries and suggest treatment options. They will also evaluate ‘problems’ that you may be specific to certain dance movements. Often these are problems of alignment/placement and corrections of these issues may prevent injury from occurring. The following services are offered by The Ailey School Physical Therapists:

- Injury clinics conducted by one of the physical therapists, which address minor aches and pains before they become major injuries.
- Dancers are individually evaluated by one of the physical therapists and advised on how to manage their injury and/or modify their activity. More serious injuries are referred to a physician for additional care. The physical therapists can direct you to a dance medicine specialist if an orthopedic physician referral is recommended.
- A note will be provided to the student’s advisor if recommendations are made by the therapist to limit participation in class (for example, no jumping). The advisor will provide a copy of the approved note to the student, who must then tell their instructors.
- Students joining the BFA Program are given dance screenings in order to identify 1) "red flags" that may put the dancer at risk of serious injury, 2) assess whether the student is in need of corrective stretching or strengthening exercises, 3) evaluate students' cardiovascular conditioning. A workshop follows to explain screening results such as alignment, joint motion, technique compensations and offer information about how to have a healthy dancing experience during their time at The Ailey School. Students are asked to make a PT appointment if they require further counseling.

If an “emergency” occurs, like a significant injury during class, a socially distanced escort must go with you to the Injury Care room to virtually connect with an “on call” physical therapist. Ice will also be available if needed.

Advanced appointment reservations are required for non-emergency virtual one-on-one visits with a therapist. Schedule your appointment for a time when you can be home.

Making Appointments

You **must** make an appointment to see a Physical Therapist. All reservations must be made online in Google Classroom, using Physical Therapy’s Google Calendar appointment feature. Parents should **not** call the PT room to make an appointment. Students should make their own appointments. A limited number of appointments are available each week. If an appointment is missed without advanced cancellation, the visit cannot be rescheduled. Therefore, it will be forfeited, lowering the number of allotted visits per semester. To cancel a reservation early, make sure the appointment disappears on the Google Calendar associated to your Ailey school username.

Always arrive to virtual visits on time or early. For your first visit, you will be asked to provide some information. The Physical Therapists keep notes on your evaluation and intervention.

Please wear the appropriate garment so that your injury can be addressed properly. For example, if your injury is a knee injury, please do not attend a visit in a unitard. Wear shorts so the PT’s can evaluate the skin area from your thigh to your foot.

P.T. Emergencies

An emergency is defined as “An urgent need for assistance or relief; or a condition that would potentially require an ambulance or hospitalization.” A *chronic condition or injury that is acting up is not an emergency*. A *pulled muscle, an over-worked or sore muscle/tendon, or a mild sprain, are also not considered emergencies*. Please keep this in mind when requesting an “emergency” virtual visit.

Student Representatives

2021-2022 All Student Representative meetings will take place virtually

Student Body Representatives are assigned at the beginning of each fall term and hold their position for one academic year. Student body reps act as liaisons between the students and administrative staff and are expected to attend one (1) school staff meeting per month. One candidate will be selected for each of the full-time programs. Student reps must have attended their program for at least one semester in order to be eligible. Those wishing to run for a Student Body position should email the Assistant to the Co-Director, rhines@alvinailey.org (for a Non-BFA position) or Emily Riehle, BFA Program Administrator, erhiele@alvinailey.org (for a BFA Program position).

International Students

2021-2022 All Student meetings with the International Student Advisor will take place virtually

All International students are required to see the International Student Advisor to complete their registration in the SEVIS system at the beginning of each semester. Newly enrolling students must see Ms. JoAnne Ruggeri in person (or via a Zoom call) and present the following documents: most recently issued I-20 for INITIAL attendance; SEVIS fee receipt; and passport. At their initial enrollment, they will receive another I-20 for CONTINUED attendance. All students must make certain to sign the bottom of all I-20's issued to them and to keep them in a safe place. Never discard any I-20! SEVIS Registration during the 2020-2021 school year will take place virtually via zoom meetings. The International Student Advisor is available for advisement and resources via email jruggeri@alvinailey.org, and via zoom meetings Monday through Friday.

The Ailey School is authorized by federal law to issue the I-20 Certificate of Eligibility for F-1 Non-immigrant student status to students who qualify.

Student Meetings

2021-2022 All Student meetings will take place virtually

All Professional Division students are required to attend all student meetings and special lectures scheduled periodically throughout the year. Those students who are unable to attend because of illness or job conflicts must be excused by The Ailey School Directors, prior to the meeting or lecture. Notice of these meetings and other pertinent information are placed on bulletin boards and in other strategic locations throughout the school facilities. All students are expected to read these materials and to be fully informed.

Student I.D. Cards

The Ailey School identification (ID) cards are authorized by the Registrar's Office and are issued to new Non-BFA students* during the fall registration period. You must carry your official ID card at all times and present it upon request to any member of The Ailey School Administrative or Security Staff. If you are unable to present an ID card, you may be asked to leave the building. The ID card is issued for your exclusive use only. Students should not loan their ID cards to other students or visitors to The Ailey School. If you lose your ID card report it immediately to the Registrar's Office. Any use or misuse of the card prior to the report of its loss is the student's responsibility. The fee for a replacement ID card is \$10. ID cards must be returned to the Registrar's Office upon withdrawal from the school.

*BFA students are issued an ID card from Fordham University

Section 6: SAFETY & SECURITY

Security

Campus Security

AADF does not condone malevolent behavior of any kind. Students are asked to report to the School Administrator or Security Supervisor, any incidence of physical assault, sexual molestation (forced, or not), manifestation of prejudice, or theft occurring on campus. Guilty parties may be subject to disciplinary action by AADF. In cases of criminal activity, the Security Supervisor will assist students in filing an incident report with the New York Police Department (NYPD) 18th Precinct – Midtown North (212) 767-8400, located at 306 West 54th Street.

Statistics concerning the occurrence reported offenses for the three previous calendar years on campus are found in this document. AADF is also committed to providing an environment that is safe and secure. The annual security and fire safety compliance document is available from the Facilities Manager upon request. The document contains information regarding campus security and personal safety including: crime prevention, fire safety, crime reporting policies, and disciplinary procedures.

Access to Campus Facility

AADF's facility, The Joan Weill Center for Dance, houses Alvin Ailey American Dance Theater (AAADT), Ailey II, The Ailey School, The Ailey Extension, and Ailey Arts in Education and Community Programs and is located at 405 West 55th Street (corner of 9th Avenue). Full time students, faculty, and staff are issued ID cards that provide them access to the Joan Weill Center for Dance and which must be displayed upon entering the building. Ailey Extension students must sign in to their classes at a specifically marked sign-in desk. All other visitors to the building must be announced to the Security

Desk who signs them in and issues a visitor's badge. The Ailey School facilities, including restrooms, are wheelchair accessible throughout the building.

Security

The Joan Weill Center for Dance is monitored by AADF staff throughout operating hours and by 24-hour Security Personnel who have received the required training for state certification. A Security Desk at the front entrance is monitored by security guards during business hours. AADF has a cooperative reporting relationship with the 18th Precinct of the New York City Police Department. Any crimes are reported directly to the New York Police Department.

Campus Security Programs

Printed material concerning security procedures and practices are distributed to the community via The Ailey School Student Handbook, AADF's Personnel Handbook, and The Ailey School Faculty and Musician Handbook. The handbooks describe security procedures and practices. New students attend a mandatory orientation meeting during which the Security Supervisor discusses safety and fire procedures. All students attend safety meetings during the academic year and in the summer during which a variety of other topics are presented including acquaintance rape and sexual harassment.

Safety

Procedures for reporting criminal actions

Criminal activity in The Joan Weill Center for Dance should be reported to the main entrance Security Desk (ext. 9002). The complainant should file an incident report with the assistance of security staff personnel. In both cases, criminal activity should be reported to the New York City Police Department by the complainant. In certain cases, AADF administration may choose to file a complaint with the Police Department on behalf of the complainant. The Chief Financial Officer and Director of Operations and Special Projects receive a copy of all completed Incident Reports. Other senior administrators are notified of emergencies as necessary.

General safety information

While national statistics show that New York City has a lower crime rate than that of many other major U.S. cities, it still requires practicing safety to avoid trouble. Just a little common sense can get you through almost any situation you may encounter in the city.

In General:

- Enter the phone number of an emergency contact person in your cell phone under the contact name **ICE** (In Case of Emergency). This would enable anyone to call your emergency contact from your phone in the event that you are unable to contact them yourself.
- Remain alert. Be aware of your environment and of those around you.
- Carry a bag that fits close to your body or that you can hold securely in front. A dangling bag can be easily yanked off your shoulder from behind.
- Dress appropriately, especially woman. Do not wear revealing dance clothing as regular street wear.
- Avoid shortcuts that are not well traveled or well lit, including alleys, parks, and parking lots that may be isolated.
- Keep your wallet/all valuables in your front pocket.
- Have your keys ready when you enter your apartment or room so that you won't have to stop to look for them.
- If at all possible, do not walk alone at night. If you must, stay on well-lit, well-populated streets.
- Walk briskly, look alert, and appear to know where you are going—even if you don't!
- Always walk with confidence. It helps if you take the time to become familiar with your environment.

At School:

- Don't leave personal items unattended especially electronics or portable items. Take all personal belongings with you to every class and keep bags securely zippered.
- Report any suspicious activity or persons to the Lobby Security Desk, ext. 9002. Phones are located throughout The Ailey School building and can be used to call security from any floor.
- Always keep your locker locked.
- To ensure everyone's safety, please abide by all policies in this handbook and in The Ailey School Student Handbook.

At Home:

- Keep doors locked at all times.
- Do not remove window guards on apartment windows.
- Do not keep windows adjacent to fire escapes open at night or when not at home.
- Always use caution and check the identity of a visitor before opening the door.
- At night, travel with a friend or choose to take a bus or taxi, if possible

On the Subway: (Tips from the NYPD web site)

- Be careful not to display money, your wallet, or electronic devices in public and never put your wallet in your rear pocket.
- Hold on to your pocketbook when using the shoulder strap.
- Be sure your necklaces, and other jewelry, are not visible.
- Do not doze or fall asleep on the train, especially late at night.

- Beware of loud arguments or noisy incidents. They could be staged to distract you in order to pick your pocket.
- Stand in the yellow “off-hours waiting area” in front of the token booth in subway stations.
- On subways, choose the most crowded car. If it’s late, use a middle car. (The conductor operates from the fifth car).

Hospitals and Police Stations

There is a hospital and/or Police Station in almost every neighborhood of the five boroughs. It is recommended that you become familiar with the local Police Station in your neighborhood, which can be located at the [Precinct Finder at NYC.gov](#). Emergencies

Procedures for reporting emergencies

In the event of fires, or for other life-threatening situations, dial 911 immediately. If there is a Medical Emergency at any time in the building, call 911 immediately and then call the Security Desk at extension 9002 (If you call Security first, they will call 911 for you). When 911 is called, a dispatcher will ask for the company name, address to which the ambulance should respond (which is 405 West 55th Street), the patient's exact location (floor number and specific area), the general nature of the medical emergency, the caller's name and the callback telephone number. It is important for the 911 dispatcher to be told the general nature of the patient's illness or whether the patient has been injured (from a fall, in an assault, etc.), so that the paramedics can immediately bring the appropriate equipment and medical supplies from the ambulance to the patient as soon as they arrive on the scene. If the emergency is during business hours (Monday – Friday, 9am – 5pm) and the injured/ill person is an Ailey School student, The Ailey School Administrator should be notified at extension 9514. After business hours and on weekends, Security will notify the appropriate staff members. For emergencies other than medical, Security staff will notify the appropriate staff members. AADF staff receives on-going training to enable them to effectively manage emergency situations.

Emergency response, fire safety and evacuation procedures

AADF maintains emergency procedure guidelines including a detailed evacuation plan. AADF community is notified of an emergency or dangerous situation through the building's public address

system, email, The Ailey School/AADF website or telephone system depending on the nature of the situation. A Crisis Management Team comprised of the Executive Director, Chief Financial Officer, Facilities Manager, and Security Supervisor, will determine if an emergency exists and will initiate emergency response procedures. The members of the Crisis Management Team will include other appropriate staff as needed. The nature of the situation and the safety of the community will determine the type of notification and content of the notification. The Office Manager is responsible for telecommunication messages; the Associate Director of Marketing is responsible for internet messages.

Students, Staff, and Faculty are advised to enter the phone number of an emergency contact person in their cell phone under the contact name **ICE** (In Case of Emergency). This would enable anyone to call your emergency contact from your phone in the event that you are unable to contact them yourself.

Fire Safety

Annual Fire Safety Report

The Higher Education Opportunity requires higher education institutions to collect, report, and disseminate fire statistic information to the campus community, the Department of Education, and potential students and employees as of August 2010 for the previous calendar year. This report contains information from calendar years 2009 and 2010.

Definition of a fire

For purposes of safety reporting, a fire is “any instance of open flame or other burning in a place not intended to contain the burning of in an uncontrolled manner” as defined by the Higher Education Act.

Fire safety system

Each floor of The Joan Weill Center for Dance contains fire extinguishers, fire alarms, pull-stations, and telephones. The building is equipped with a public address system that is monitored by the Fire Safety Director. In addition, each floor is equipped with a sprinkler system. Stairwells with emergency directional signage run from every floor to street level for evacuation purposes.

Fire Drills

Fire drills have been conducted on a regular basis to test the public address system and evacuation procedures. Fire drills are supervised by the Fire Safety Director with the assistance of the Fire Marshals assigned to each floor. Everyone in the building is required to participate. Drills have been conducted in accordance with the fire safety plan. Notice will be given in advance of a fire drill.

In the event of a fire, please observe the following procedures:

→ Listen for announcements

→ Students, with masks on, should depart from studios in an orderly fashion and remain in front of their studios in the lobby of their floor as socially distanced as possible: students should remain in their cohort and not mingle with other cohorts. Students will listen for further announcements and follow the instructions that they hear.

Section 7: SCHOOL POLICIES

Plagiarism Policy

The Ailey School Staff considers plagiarism to be a serious violation of ethics. Students are expected to demonstrate academic integrity in all classes, both in the studio and in the classroom. The intentional or reckless taking of another's ideas, movements, words and thoughts and presenting them as one's own without proper credit is plagiarism. The Ailey School is committed to helping students develop original and creative work through composition courses and opportunities to present choreography at School performances. The Ailey School is also committed to helping students develop critical thinking and reasoning skills. Plagiarism in any form will not be tolerated at The Ailey School, including but not limited to, the taking of others' ideas and movements when presenting choreography that is claimed to be original and the taking of others' words and thoughts when submitting written papers for a course. If a student is determined to have committed plagiarism, this student will be subject to sanctions ranging from a failing grade to dismissal from The Ailey School.

Social Media Policy

Every day, people discuss Alvin Ailey American Dance Theater, Ailey II, The Ailey School, The Ailey Extension and other parts of the Ailey organization in online conversations. The Alvin Ailey Dance Foundation recognizes the vital importance of these online conversations and has established a policy to guide those who participate in social media. Any employee or student found to be in violation of this policy will be subject to sanctions, including, but not limited to, mandatory referral for counseling and/or treatment, and termination of employment or enrollment.

Possible Legal Sanctions and Penalties

Local, state and federal laws make illegal use of drugs and alcohol serious crimes. Conviction can lead to imprisonment, fines and mandatory community service.

The Federal Controlled Substances Act, 21 U.S.C. 844, et seq., provides penalties of up to life imprisonment and significant fines for unlawful distribution or possession of a controlled substance. Notably, any person found to have unlawfully distributed such substances to a person under 21 may

be punished by up to twice the term of imprisonment and twice the fines. The same applies to distribution of drugs in or within 1,000 feet of a college or school.

Federal penalties and sanctions for illegal drug possession of a controlled substance include but are not limited, to the following:

- First conviction: Up to one-year imprisonment and a fine of at least \$1,000.
- After one prior drug conviction: At least 15 days in prison, and a fine of at least \$2,500.
- After two or more prior drug convictions: At least 90 days in prison, and a fine of at least \$5,000.

For a schedule of penalties, see http://www.justice.gov/dea/druginfo/ftp_chart1.pdf. Additional penalties may apply under various New York State drug and alcohol laws.

New York law also addresses the illegal sale or possession of alcohol. Below is a list of some offenses and penalties:

- Procuring alcohol for a person under the age of 21 carries a penalty of up to five days imprisonment and a \$200 fine.
- Driving while intoxicated (by either drugs or alcohol) is a misdemeanor punishable by up to a year imprisonment and a fine of up to \$1000.
- It is in violation of state law for a person under the age of 21 years to present false evidence of age to procure alcoholic beverages. The penalty for a first violation may include a fine and community service.

The above lists include only a sampling of the current federal and state penalties and sanctions for conduct involving drugs and alcohol, all of which are subject to change. Additional federal, state and local penalties and sanctions may apply.

Health Risks Associated with AOD Abuse

Even “recreational” drug use or “social” drinking may be toxic to your body. Further, if abused, drugs and alcohol can have catastrophic consequences on your health, including damage to the heart, lungs, brain, liver, gastrointestinal track, and other major organs and systems. Alcohol-related accidents are the number one cause of death among people ages 15 to 24, while highly potent drugs such as crack cocaine can be fatal even upon a first, experimental use.

Substance abuse is one of the most pervasive medical and social problems of our time and will make every effort to treat a student or employee’s problem with confidentiality and compassion. However, AADF’s mission requires a drug-free environment and all appropriate measures will be taken to ensure that it remains so. AADF encourages individuals with alcohol or other drug-related problems to seek assistance.

Some community-based resources include:

Smoking Regulations

In accordance with government regulations, AADF prohibits smoking in any part of its building, including private offices, private rooms, hallways, and restrooms. Smoking is also prohibited within 25

feet of any building entrance. Employees or students smoking in any non-smoking area may be subject to disciplinary action up to and including termination of employment or enrollment (for students).

AADF is committed to maintaining a positive, pleasant, and harassment-free academic and work environment, and believes in maintaining an Open Door Policy. Accordingly, students are encouraged to see the Co-Directors of the School or a Faculty Advisor with suggestions, questions or problems relating to your studies or work (if applicable). Students are also invited to contact AADF's Human Resource Department, directly, or any other AADF management representative.

Policy Against Sexual Harassment, Discrimination & Other Unlawful Harassment

Anti-Discrimination Policy

The Ailey School has a policy of “zero-tolerance” with respect to discrimination or harassment. The Ailey School expressly prohibits any form of discrimination or harassment because of race, color, religion, sex, national origin, citizenship, veteran status, age, physical or mental disability or other impairment, marital status, sexual orientation, genetic information or any other consideration made unlawful by applicable federal, state, or local laws. The Ailey School expects all members of its community, as well as its visitors, to be treated equally based on merit in all aspects related to its educational programs and activities.

Violation of The Ailey School’s Anti-Discrimination policy, including the Anti-Harassment Policy detailed below, will result in appropriate discipline or dismissal from The Ailey School.

Anti-Harassment Policy

The Ailey School’s policy is to maintain an academic environment free of unlawful harassment for all its community members. Harassment of any kind is strictly prohibited. No employees, faculty,

students, or staff may engage in harassment against a community member because of race, color, religion, sex, national origin, citizenship, veteran status, age, physical or mental disability or other impairment, marital status, sexual orientation, genetic information or any other consideration made unlawful by applicable federal, state, or local laws.

What is Prohibited Harassment?

Harassment prohibited by this policy is any unwelcomed verbal or physical conduct that belittles or shows hostility or aversion towards an individual based on his or her protected characteristics or which creates an intimidating, hostile or offensive (academic or working) environment that interferes with an individual's peace of mind, (academic or work) performance or adversely affects (academic or employment) opportunities. Harassment which is prohibited by this policy includes, but is not limited to:

- Visual conduct, including displaying of derogatory objects or pictures, cartoons, graffiti or posters.
- Verbal conduct, including making or using derogatory comments, epithets, slurs and jokes.

The Ailey School also prohibits sexual harassment. Sexual harassment is defined as unwanted sexual or visual, verbal or physical conduct. Sexual harassment includes gender harassment and harassment on the basis of pregnancy, childbirth, or related medical conditions, and also includes sexual harassment of a person of the same gender as the harasser. With respect to sexual harassment, The Ailey School prohibits, among other conduct, the following:

- Unwelcomed sexual advances; requests for sexual favors; and all other verbal or physical conduct of a sexual or otherwise offensive nature, especially where:
 - Submission to such conduct is made either explicitly or implicitly a term or condition of academic progress or employment;
 - Submission to or rejection of such conduct is used as the basis for decisions affecting an individual's academic progress or employment; or
 - Offensive comments, jokes, innuendos, and other sexually oriented statements.
Such conduct has the purpose or effect of creating an intimidating, hostile, or offensive academic or working environment. Other examples of the types of conduct expressly prohibited by this policy include, but are not limited to, the following unwanted or unwelcomed conduct or contact:
 - Touching, such as rubbing or massaging someone's neck or shoulders, stroking someone's hair, or brushing against another's body.
 - Sexually suggestive touching.
 - Grabbing, groping, kissing, fondling.
 - Violating someone's "personal space."
 - Offensive whistling.

- Lewd, off-color, sexually oriented comments or jokes.
- Foul or obscene language.
- Leering, staring, stalking.
- Suggestive or sexually explicit posters, calendars, photographs, graffiti, cartoons.
- Unwanted or offensive letters or poems.
- Sitting or gesturing sexually.
- Sexual or otherwise offensive e-mail or voicemail messages.
- Sexually oriented or explicit remarks, including written or oral references to sexual conduct, gossip regarding one's sex life, body, sexual activities, deficiencies, or prowess.
- Questions about one's sex life or experiences.
- Repeated requests for dates.
- Sexual favors in return for employment rewards, or threats if sexual favors are not provided.
- Sexual assault or rape.
- Any other conduct or behavior deemed inappropriate by AADF.

Disclosure

The Ailey School will take appropriate disciplinary action, up to and including termination of employment or dismissal, whenever there is a finding that unlawful harassment or any violation of this policy has occurred. Any student who believes that he or she has been the subject of sexual or any other form of harassment by another student, by an employee, or by a contractor or vendor of The Ailey School (or if they become aware of such harassment by another student), should make their complaint to The Ailey School Co-Directors. If it is not possible to make such a report or if the student is not comfortable making their complaint to The Ailey School Co-Directors, he or she should report it to a Faculty Advisor or AADF's Human Resources Department. All complaints will remain as confidential as possible, consistent with the conduct of an effective investigation. However, The Ailey School may need to disclose certain information to carry out its investigation or to implement corrective actions that are deemed necessary.

Retaliation Prohibited

The Ailey School prohibits retaliation against any individual who reports conduct believed to be harassment or discrimination or who participates in an investigation of such reports. Any retaliation against a student who makes a complaint in good faith under this policy, including, but not limited to, intimidation, coercion, threats, or discrimination, will result in disciplinary action against the retaliator, up to and including termination of the retaliator's employment or academic relationship with The Ailey School.

The Investigation

Any reported allegations of harassment, discrimination or retaliation will be investigated promptly. The investigation may include individual interviews with the parties involved. Also, when necessary, The Ailey School may interview individuals who observed the alleged conduct or have other relevant knowledge. The Ailey School will maintain the confidentiality of the complaint and/or investigation to

the greatest extent possible. All members of The Ailey School community have a duty to cooperate with any investigation conducted by The Ailey School, regardless of whether the investigation is being conducted by The Ailey School or outside parties retained by The Ailey School for this purpose.

Responsive Action

Misconduct that constitutes discrimination, harassment or retaliation will be dealt with appropriately. Responsive action may include, but is not limited to, discipline or discharge of any individual whom The Ailey School finds has engaged in such conduct, or other action, as The Ailey School in its sole discretion deems appropriate under the circumstances.

If after investigating any complaint of harassment or discrimination, The Ailey School determines that the complaint is frivolous and/or was not made in good faith or that a student or employee has knowingly provided false information regarding a complaint, disciplinary action, up to and including termination of employment, may be taken against the employee who filed the complaint or who knowingly provided false information.

Grievance Policy

All members of The Ailey School community are expected to respect the dignity of others and support the welfare of the community as a whole. Students are expected to uphold the standards set forth in The Ailey School Code of Conduct and The Ailey School Policies & Procedures. If a student has a complaint or grievance that is not sexual harassment or discriminatory in nature, the student is encouraged to speak directly with the individual in question to resolve the issue. For situations in which the student does not feel comfortable with this method of resolution, the student should bring the issue to their Faculty Advisor who will discuss the complaint with the student and recommend other options for resolution of the matter, such as a discussion and/or meeting with the student and the person(s) involved in the complaint. If necessary, a mediation meeting with those involved and the Co-Directors of the School may be necessary. If the complaint is against another student, and the complaint is determined to have basis after the above methods are exhausted, the student in question will be subject to disciplinary action, including but not limited to, reprimand, probation, or dismissal. If the complaint is against a faculty or staff member, and the complaint is determined to have basis, the appropriate disciplinary actions will be taken by The Ailey School and/or AADT Administration. In the case of all grievance complaints, a confidential statement written by the student/complainant may be requested and kept on file. However, if the complaint is determined to be unfounded, no record of the complaint will be kept on file.

Intervention Policy

By enrolling at The Ailey School, a student acknowledges and agrees that the School has the right to be concerned about the health, safety and welfare of its students, staff and others that may be on the school premises. Accordingly, by enrolling at The Ailey School, a student expressly consents to and authorizes the School to contact a student's spouse, parent(s), colleague(s) and other persons

known to be associated with the student should the School, in its sole discretion, believe that the students' conduct may be potentially harmful to him or herself or others, whether that conduct be caused by stress, mental disturbance or disorders, use or abuse of additive substances, or any other reason.

Furthermore, by enrolling in the School a student consents to and authorizes The Ailey School to refer them to physicians, psychiatrists and/or other physical and/or mental health personnel of the School's choice for evaluation and/or treatment, or take such action as the School may deem appropriate, including but not limited to temporary or permanent suspension of the student's residence housing and/or enrollment in the School.
