History of The Ailey School

The Ailey School is the official school of the world-renowned Alvin Ailey American Dance Theater. In 1969, Alvin Ailey founded The Ailey School (then called the Alvin Ailey American Dance Center) in Brooklyn, New York, with an initial enrollment of 125 students. In 1970, Mr. Ailey joined forces with Pearl Lang to establish the American Dance Center in Manhattan. Today, under the direction of Tracy Inman and Melanie Person, a prestigious faculty trains approximately 3,500 students annually, offering more than 160 classes weekly.

Located in New York City's Theater District, The Ailey School houses 12 spacious studios, a fully equipped theater with 295 seats, student and faculty lounges, dressing rooms, a library, conference rooms, an Ailey boutique and administrative offices. Our student body hails from every part of the world, representing a diversity of racial and ethnic backgrounds. Unique among dance academies, The Ailey School offers an accredited and comprehensive curriculum including ballet, Dunham, Graham-based modern, Horton, jazz, tap and West African dance. The school rounds out its curriculum with courses in barre a terre, body conditioning, yoga, Gyrokinesis®, partnering, repertory, improvisation, dance composition, dance history, music and theater arts, and performance opportunities.

A junior performing company, Ailey II, is the resident company of The Ailey School. Ailey School students are often invited to join Ailey II by its Artistic Director. Other students pursue successful careers as performers, choreographers, and teachers with professional dance companies in the United States and abroad. Many appear in film, on television and on the Broadway stage. Some also choose to become health practitioners, teachers or to work in the corporate world, and they support dance as patrons and members of the audience.

Guided by Alvin Ailey's belief that dance instruction should be made available to everyone, The Ailey School offers a range of programs providing training at all levels. The Ailey School offers the following Professional Division programs to its students (Ages 17 and older):

- ★ The Ailey School/Fordham University BFA Program

The Ailey School and Ailey Forward

The Alvin Ailey Dance Foundation, Inc., (Ailey) has developed a comprehensive plan, [Ailey Forward](#), for reopening of The Ailey School at The Joan Weill Center for Dance (The Center) at 405 West 55th Street, New York, New York for the organization's fiscal year 2021. Careful planning to welcome students, teachers, musicians, and essential staff addresses public health concerns and outlines how The Ailey School community can return to The Center while reducing the risk of transmission of the Covid-19 virus.

Ailey has established methods of screening, contact tracing & isolation, modified operations, enhanced cleaning, and planned an education campaign around safe behaviors that optimize the safety of students, faculty and employees. **Ailey Forward** is fully compliant with the directives of New York State Governor's office, as communicated in [New York Forward](#).

It is recommended that each and every student of The Ailey School read [Ailey Forward](#) prior to returning to School. Security

Campus Security

AADF does not condone malevolent behavior of any kind. Students are asked to report to the School Administrator or Security Supervisor, any incidence of physical assault, sexual molestation (forced, or not), manifestation of prejudice, or theft occurring on campus. Guilty parties may be subject to disciplinary action by AADF. In cases of criminal activity, the Security Supervisor will assist students in filing an incident report with the New York Police Department (NYPD) 18th Precinct – Midtown North (212) 767-8400, located at 306 West 54th Street.

Statistics concerning the occurrence reported offenses for the three previous calendar years on campus are found in this document. AADF is also committed to providing an environment that is safe and secure. The annual security and fire safety compliance document is available from the Facilities Manager upon request. The document contains information regarding campus security and personal safety including: crime prevention, fire safety, crime reporting policies, and disciplinary procedures.

Access to Campus Facility

AADF's facility, The Joan Weill Center for Dance, houses Alvin Ailey American Dance Theater (AAADT), Ailey II, The Ailey School, The Ailey Extension, and Ailey Arts in Education and Community Programs and is located at 405 West 55th Street (corner of 9th Avenue). General safety information

While national statistics show that New York City has a lower crime rate than that of many other major U.S. cities, it still requires practicing safety to avoid trouble. Just a little common sense can get you through almost any situation you may encounter in the city.

In General:

- Enter the phone number of an emergency contact person in your cell phone under the contact name **ICE** (In Case of Emergency). This would enable anyone to call your emergency contact from your phone in the event that you are unable to contact them yourself.
- Remain alert. Be aware of your environment and of those around you.
- Carry a bag that fits close to your body or that you can hold securely in front. A dangling bag can be easily yanked off your shoulder from behind.
- Dress appropriately, especially woman. Do not wear revealing dance clothing as regular street wear.
- Avoid shortcuts that are not well traveled or well lit, including alleys, parks, and parking lots that may be isolated.
- Keep your wallet/all valuables in your front pocket.
- Have your keys ready when you enter your apartment or room so that you won't have to stop to look for them.
- If at all possible, do not walk alone at night. If you must, stay on well-lit, well-populated streets.
- Walk briskly, look alert, and appear to know where you are going—even if you don't!
- Always walk with confidence. It helps if you take the time to become familiar with your environment.

At School:

- Don't leave personal items unattended especially electronics or portable items. Take all personal belongings with you to every class and keep bags securely zippered.
- Report any suspicious activity or persons to the Lobby Security Desk, ext. 9002. Phones are located throughout The Ailey School building and can be used to call security from any floor.

- Always keep your locker locked.
- To ensure everyone’s safety, please abide by all policies in this handbook and in The Ailey School Student Handbook.

At Home:

- Keep doors locked at all times.
- Do not remove window guards on apartment windows.
- Do not keep windows adjacent to fire escapes open at night or when not at home.
- Always use caution and check the identity of a visitor before opening the door.
- At night, travel with a friend or choose to take a bus or taxi, if possible

On the Subway: (Tips from the NYPD web site)

- Be careful not to display money, your wallet, or electronic devices in public and never put your wallet in your rear pocket.
- Hold on to your pocketbook when using the shoulder strap.
- Be sure your necklaces, and other jewelry, are not visible.
- Do not doze or fall asleep on the train, especially late at night.
- Beware of loud arguments or noisy incidents. They could be staged to distract you in order to pick your pocket.
- Stand in the yellow “off-hours waiting area” in front of the token booth in subway stations.
- On subways, choose the most crowded car. If it’s late, use a middle car. (The conductor operates from the fifth car).

Emergencies

Procedures for reporting emergencies

In the event of fires, or for other life-threatening situations, dial 911 immediately. If there is a Medical Emergency at any time in the building, call 911 immediately and then call the Security Desk at extension 9002 (If you call Security first, they will call 911 for you). When 911 is called, a dispatcher will ask for the company name, address to which the ambulance should respond (which is 405 West 55th Street), the patient's exact location (floor number and specific area), the general nature of the medical emergency, the caller's name and the callback telephone number. It is important for the 911 dispatcher to be told the general nature of the patient's illness or whether the patient has been injured (from a fall, in an assault, etc.), so that the paramedics can immediately bring the appropriate equipment and medical supplies from the ambulance to the patient as soon as they arrive on the scene. If the emergency is during business hours (Monday – Friday, 9am – 5pm) and the injured/ill person is an Ailey School student, The Ailey School Administrator should be notified at extension 9514. After business hours and on weekends, Security will notify the appropriate staff members. For emergencies other than medical, Security staff will notify the appropriate staff members. AADF staff receives on-going training to enable them to effectively manage emergency situations.

Emergency response, fire safety and evacuation procedures

AADF maintains emergency procedure guidelines including a detailed evacuation plan. AADF community is notified of an emergency or dangerous situation through the building's public address system, email, The Ailey School/AADF website or telephone system depending on the nature of the situation. A Crisis Management Team comprised of the Executive Director, Chief Financial Officer, Facilities Manager, and Security Supervisor, will determine if an emergency exists and will initiate emergency response procedures. The members of the Crisis Management Team will include other appropriate staff as needed. The nature of the situation and the safety of the community will determine the type of notification and content of the notification. The Office Manager is responsible for telecommunication messages; the Associate Director of Marketing is responsible for internet messages.

Students, Staff, and Faculty are advised to enter the phone number of an emergency contact person in their cell phone under the contact name **ICE (In Case of Emergency)**. This would enable anyone to call your emergency contact from your phone in the event that you are unable to contact them yourself.

Fire Safety

Annual Fire Safety Report

The Higher Education Opportunity requires higher education institutions to collect, report, and disseminate fire statistic information to the campus community, the Department of Education, and potential students and employees as of August 2010 for the previous calendar year. This report contains information from calendar years 2009 and 2010.

Definition of a fire

For purposes of safety reporting, a fire is “any instance of open flame or other burning in a place not intended to contain the burning of in an uncontrolled manner” as defined by the Higher Education Act.

Fire safety system

Each floor of The Joan Weill Center for Dance contains fire extinguishers, fire alarms, pull-stations, and telephones. The building is equipped with a public address system that is monitored by the Fire Safety Director. In addition, each floor is equipped with a sprinkler system. Stairwells with emergency directional signage run from every floor to street level for evacuation purposes.

Fire Drills

(Please note: Due to the COVID-19 pandemic, the Fire Department of NY has suspended all fire drills until further notice.)

Fire drills have been conducted on a regular basis to test the public address system and evacuation procedures. Fire drills are supervised by the Fire Safety Director with the assistance of the Fire Marshals assigned to each floor. Everyone in the building is required to participate. Drills have been conducted in accordance with the fire safety plan. Notice will be given in advance of a fire drill.

In the event of a fire, please observe the following procedures:

→ Listen for announcements.

→ Students, with masks on, should depart from studios in an orderly fashion and remain in front of their studios in the lobby of their floor as socially distanced as possible: students should remain in their cohort and not mingle with other cohorts. Students will listen for further announcements and follow the instructions that they hear.

→ If no Fire Warden is present, use the red Fire Warden phone by freight elevator to call the Fire Command Station for directions or to report any fire condition on your floor. Push the red button on the handset to talk/release to listen)

→ Never use the elevators unless you are directed to do so by the Fire Department or the Ailey Fire Safety Directors.

If you see a fire:

→ Activate alarm at nearest pull station / respond to alarm and follow evacuation procedures above.

Fire Wardens and Searchers:

→ Designated staff members of Alvin Ailey Dance Foundation serve as Fire Wardens and Searchers on each floor at the Joan Weill Center for Dance. Students should listen to instructions given by the Fire Wardens and Searchers of the floor they are on in the event of a fire.

Section 5: School Policies

Plagiarism Policy

The Ailey School Staff considers plagiarism to be a serious violation of ethics. Students are expected to demonstrate academic integrity in all classes, both in the studio and in the classroom. The intentional or reckless taking of another's ideas, movements, words and thoughts and presenting them as one's own without proper credit is plagiarism. The Ailey School is committed to helping students develop original and creative work through composition courses and opportunities to present choreography at School performances. The Ailey School is also committed to helping students develop critical thinking and reasoning skills. Plagiarism in any form will not be tolerated at The Ailey School, including but not limited to, the taking of others' ideas and movements when presenting choreography that is claimed to be original and the taking of others' words and thoughts when submitting written papers for a course. If a student is determined to have committed plagiarism, this student will be subject to sanctions ranging from a failing grade to dismissal from The Ailey School.

Social Media Policy

Every day, people discuss Alvin Ailey American Dance Theater, Ailey II, The Ailey School, The Ailey Extension and other parts of the Ailey organization in online conversations. The Alvin Ailey Dance Foundation recognizes the vital importance of these online conversations and has established a policy to guide those who participate in social media. For the purposes of this policy, 'social media' includes blogs, wikis, and networking sites such as (but not limited to) Facebook, Twitter, LinkedIn, YouTube, Vimeo, and Flickr. We appreciate your adhering to this policy when engaging in social media conversations.

Personal use of social media networks

Whether creating your own social media posts or adding personal comments to what others have written in social media, remember that what you say can reflect back on the Ailey organization as well as on you, personally. Use your best judgment, especially when posting anything about Ailey. Please keep in mind that you are personally responsible for what you post. When posting, be professional and respectful of others and refrain from posting statements that are false, misleading, defamatory, obscene or harassing.

When posting personal comments online about Ailey you should not blog anonymously or use false screen names. Always identify that you are a student in The Ailey School (or, if applicable, that you work for Ailey) and be clear that you are speaking for yourself, not the organization. It is perfectly acceptable to talk about aspects of your work or studies at Ailey, but it is not okay to publish any confidential information about Ailey. Confidential information includes things such as: unpublished details about Ailey's upcoming performances and programs; private information about colleagues, students, staff, faculty, AAADT / Ailey II dancers and crew; information about box office sales; and other financial data. **Posting Ailey's logos, trademarks, or images without permission is prohibited and should be avoided.**

If you find false statements or misrepresentations made about Ailey in social media, please do not respond; instead, bring this to the attention of Christopher Zunner, the Director of Public Relations at czunner@alvinailey.org.

Drug, Tobacco & Alcohol Use Policy

AADF expects all members of its community to assist in maintaining a drug-free environment. The possession, unlawful manufacture, distribution, dispensing or use of alcohol or a controlled substance (illicit drugs, etc.) or being under the influence of alcohol or a controlled substance on AADF premises is prohibited and grounds for administrative action.

Any AADF employee, as a condition of employment, is expected to abide by the drug-free workplace policy. In addition, AADF is required by The Drug-Free Workplace Act of 1988 to notify all employees and students that they must report any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction.

Students cannot drink or possess alcoholic beverages of any kind on AADF property. From time to time AADF may allow the serving of alcohol during staff functions or social gatherings (e.g. holiday parties). Employees consuming alcohol at such events must act responsibly and assume all responsibility for their own safety and behavior.

Possible Disciplinary Sanctions and Penalties

Any employee or student found to be in violation of this policy will be subject to sanctions, including, but not limited to, mandatory referral for counseling and/or treatment, and termination of employment or enrollment.

Possible Legal Sanctions and Penalties

Local, state and federal laws make illegal use of drugs and alcohol serious crimes. Conviction can lead to imprisonment, fines and mandatory community service.

The Federal Controlled Substances Act, 21 U.S.C. 844, et seq., provides penalties of up to life imprisonment and significant fines for unlawful distribution or possession of a controlled substance. Notably, any person found to have unlawfully distributed such substances to a person under 21 may be punished by up to twice the term of imprisonment and twice the fines. The same applies to distribution of drugs in or within 1,000 feet of a college or school.

Federal penalties and sanctions for illegal drug possession of a controlled substance include, but are not limited, to the following:

- First conviction: Up to one-year imprisonment and a fine of at least \$1,000.
- After one prior drug conviction: At least 15 days in prison, and a fine of at least \$2,500.

- After two or more prior drug convictions: At least 90 days in prison, and a fine of at least \$5,000.

Additional penalties may apply under various New York State drug and alcohol laws.

New York law also addresses the illegal sale or possession of alcohol. Below is a list of some offenses and penalties:

- Procuring alcohol for a person under the age of 21 carries a penalty of up to five days imprisonment and a \$200 fine.
- Driving while intoxicated (by either drugs or alcohol) is a misdemeanor punishable by up to a year imprisonment and a fine of up to \$1000.
- It is in violation of state law for a person under the age of 21 years to present false evidence of age to procure alcoholic beverages. The penalty for a first violation may include a fine and community service.

The above lists include only a sampling of the current federal and state penalties and sanctions for conduct involving drugs and alcohol, all of which are subject to change. Additional federal, state and local penalties and sanctions may apply.

Health Risks Associated With AOD Abuse

Even “recreational” drug use or “social” drinking may be toxic to your body. Further, if abused, drugs and alcohol can have catastrophic consequences on your health, including damage to the heart, lungs, brain, liver, gastrointestinal track, and other major organs and systems. Alcohol-related accidents are the number one cause of death among people ages 15 to 24, while highly potent drugs such as crack cocaine can be fatal even upon a first, experimental use.

Substance abuse is one of the most pervasive medical and social problems of our time and will make every effort to treat a student or employee’s problem with confidentiality and compassion. However, AADF’s mission requires a drug-free environment and all appropriate measures will be taken to ensure that it remains so. AADF encourages individuals with alcohol or other drug-related problems to seek assistance.

In accordance with government regulations, AADF prohibits smoking in any part of its building, including private offices, private rooms, hallways, and restrooms. Smoking is also prohibited within 25 feet of any building entrance. Employees or students smoking in any non-smoking area may be subject to disciplinary action up to and including termination of employment or enrollment (for students).

Open Door Policy

AADF is committed to maintaining a positive, pleasant, and harassment-free academic and work environment, and believes in maintaining an Open Door Policy. Accordingly, students are encouraged to see the Co-Directors of the School or a Faculty Advisor with suggestions, questions or problems relating to your studies or work (if applicable). Students are also invited to contact AADF's Human Resource Department, directly, or any other AADF management representative.

Policy Against Sexual Harassment, Discrimination & Other Unlawful Harassment

The Ailey School's policy is to maintain an academic environment free of unlawful harassment for all its community members. Harassment of any kind is strictly prohibited. No employees, faculty, students, or staff may engage in harassment against a community member because of race, color, religion, sex, national origin, citizenship, veteran status, age, physical or mental disability or other impairment, marital status, sexual orientation, genetic information or any other consideration made unlawful by applicable federal, state, or local laws.

Disclosure

The Ailey School will take appropriate disciplinary action, up to and including termination of employment or dismissal, whenever there is a finding that unlawful harassment or any violation of this policy has occurred. Any student who believes that he or she has been the subject of sexual or any other form of harassment by another student, by an employee, or by a contractor or vendor of The Ailey School (or if they become aware of such harassment by another student),

should make their complaint to The Ailey School Co-Directors. If it is not possible to make such a report or if the student is not comfortable making their complaint to The Ailey School Co-Directors, he or she should report it to a Faculty Advisor or AADF's Human Resources Department. All complaints will remain as confidential as possible, consistent with the conduct of an effective investigation. However, The Ailey School may need to disclose certain information to carry out its investigation or to implement corrective actions that are deemed necessary.

Retaliation Prohibited

The Ailey School prohibits retaliation against any individual who reports conduct believed to be harassment or discrimination or who participates in an investigation of such reports. Any retaliation against a student who makes a complaint in good faith under this policy, including, but not limited to, intimidation, coercion, threats, or discrimination, will result in disciplinary action against the retaliator, up to and including termination of the retaliator's employment or academic relationship with The Ailey School.

The Investigation

Any reported allegations of harassment, discrimination or retaliation will be investigated promptly. The investigation may include individual interviews with the parties involved. Also, when necessary, The Ailey School may interview individuals who observed the alleged conduct or have other relevant knowledge. The Ailey School will maintain the confidentiality of the complaint and/or investigation to the greatest extent possible. All members of The Ailey School community have a duty to cooperate with any investigation conducted by The Ailey School, regardless of whether the investigation is being conducted by The Ailey School or outside parties retained by The Ailey School for this purpose.

Responsive Action

Misconduct that constitutes discrimination, harassment or retaliation will be dealt with appropriately. Responsive action may include, but is not limited to, discipline or discharge of any individual whom The Ailey School finds has engaged in such conduct, or other action, as The Ailey School in its sole discretion deems appropriate under the circumstances.

If after investigating any complaint of harassment or discrimination, The Ailey School determines that the complaint is frivolous and/or was not made in good faith or that a student or employee has knowingly provided false information regarding a complaint, disciplinary action, up to and including termination of employment, may be taken against the employee who filed the complaint or who knowingly provided false information.

Grievance Policy

All members of The Ailey School community are expected to respect the dignity of others and support the welfare of the community as a whole. Students are expected to uphold the standards set forth in The Ailey School Code of Conduct and The Ailey School Policies & Procedures. If a student has a complaint or grievance that is not sexual harassment or discriminatory in nature, the student is encouraged to speak directly with the individual in question to resolve the issue. For situations in which the student does not feel comfortable with this method of resolution, the student should bring the issue to their Faculty Advisor who will discuss the complaint with the student and recommend other options for resolution of the matter, such as a discussion and/or meeting with the student and the person(s) involved in the complaint. If necessary, a mediation meeting with those involved and the Co-Directors of the School may be necessary. If the complaint is against another student, and the complaint is determined to have basis after the above methods are exhausted, the student in question will

be subject to disciplinary action, including but not limited to, reprimand, probation, or dismissal. If the complaint is against a faculty or staff member, and the complaint is determined to have basis, the appropriate disciplinary actions will be taken by The Ailey School and/or AADT Administration. In the case of all grievance complaints, a confidential statement written by the student/complainant may be requested and kept on file. However, if the complaint is determined to be unfounded, no record of the complaint will be kept on file.

Intervention Policy

By enrolling at The Ailey School, a student acknowledges and agrees that the School has the right to be concerned about the health, safety and welfare of its students, staff and others that may be on the school premises. Accordingly, by enrolling at The Ailey School, a student expressly consents to and authorizes the School to contact a student's spouse, parent(s), colleague(s) and other persons known to be associated with the student should the School, in its sole discretion, believe that the students' conduct may be potentially harmful to him or herself or others, whether that conduct be caused by stress, mental disturbance or disorders, use or abuse of additive substances, or any other reason.

Furthermore, by enrolling in the School a student consents to and authorizes The Ailey School to refer them to physicians, psychiatrists and/or other physical and/or mental health personnel of the School's choice for evaluation and/or treatment, or take such action as the School may deem appropriate, including but not limited to temporary or permanent suspension of the student's residence housing and/or enrollment in the School.
