

June 2022

Dear Junior Division Parents,

Thank you for your unwavering support this past year. We hope you enjoyed year-end showings and are as proud as we are of each and every Junior Division student's personal growth and commitment to dance. As one unforgettable academic year ends, preparations are well underway to administer the next.

Schedule and level placement information will be available next week for families who wish to re-enroll for the 2022-2023 Academic Year. Here is what you need to know to register your child for classes in September.
