History of The Ailey School

The Ailey School is the official school of the world renowned Alvin Ailey American Dance Theater. In 1969, Alvin Ailey founded The Ailey School (then called the Alvin Ailey American Dance Center) in Brooklyn, New York, with an initial enrollment of 125 students. In 1970, Mr. Ailey joined forces with Pearl Lang to establish the American Dance Center in Manhattan. Today, under the direction of Tracy Inman and Melanie Person, a prestigious faculty trains approximately 3,500 students annually, offering more than 160 classes weekly.

Located in New York City's Theater District, The Ailey School houses 12 spacious studios, a fully equipped theater with 295 seats, student and faculty lounges, dressing rooms, a library, conference rooms, an Ailey boutique and administrative offices. Our student body hails from every part of the world, representing a diversity of racial and ethnic backgrounds. Unique among dance academies, The Ailey School offers an accredited and comprehensive curriculum including ballet, Dunham, Graham-based modern, Horton, jazz, tap and West African dance. The school rounds out its curriculum with courses in barre a terre, body conditioning, yoga, Gyrokinesis®, partnering, repertory, improvisation, dance composition, dance history, music and theater arts, and performance opportunities.

A junior performing company, Ailey II, is the resident company of The Ailey School. Ailey School students are often invited to join Ailey II by its Artistic Director. Other students pursue successful careers as performers, choreographers and teachers with professional dance companies in the United States and abroad. Many appear in film, on television and on the Broadway stage. Some also choose to become health practitioners, teachers or to work in the corporate world, and they support dance as patrons and members of the audience.

Guided by Alvin Ailey’s belief that dance instruction should be made available to everyone, The Ailey School offers a range of programs providing training at all levels. The Ailey School offers the following Professional Division programs to its students (Ages 16 and older):

- The Ailey School/Fordham University BFA Program
- The Ailey School Scholarship Program
- The Certificate Program
- The Independent Study Program
- The Summer Intensive
- Ailey II

MISSION & GOALS OF THE AILEY SCHOOL

- To make dance accessible to young people and adults through dance training and innovative community arts-in-education programs.
- To offer students the opportunity to follow an accredited curriculum of diversified dance training of the highest professional caliber.
- To maintain a professional faculty of exceptional teachers, musicians and guest artists.
- To train outstanding students as professional dancers and provide access to merit-based scholarships and need-based federal financial aid.
- To offer a range of student services including artistic advisement, housing assistance, physical therapy services, and professional counseling for nutrition and psychological well-being.
- To offer a broad range of dance classes for the dance enthusiast.
The following is intended as a guide and resource for all full-time students and contains The Ailey School policies, procedures and guidelines, and other helpful information. This document may be downloaded from The Ailey School web site at the PROFESSIONAL DIVISION>Current Students page.

**Attendance**

Perfect or near perfect attendance (participating in a minimum of 90% in all assigned courses) is required of all full-time Professional Division students. Excessive absences may result in a deduction of the student’s grade (see chart below). Injured students are expected to observe all of their classes until they are well enough to participate again and must submit a note from The Ailey School physical therapist or a doctor. All Professional Division Students (ages 16 and older) are required to meet with their Faculty Advisor, as well as communicate with their teachers, regarding all absences. All International Students are also required to discuss the reasons for any absences with The Ailey School’s International Student Advisor.

**Grading & Attendance Policies**

**NOTES:**

- 2 observed classes = 1 unexcused absence (Medical or PT observances with a note are not penalized)
- Classes missed the day before or after a School holiday will be marked as a double absence.
- Students will NOT be excused for Physical Therapy appointments that are scheduled during their class times. Students must make every effort to see the PT when they do not have class. If no time slots are available that do not conflict with classes, students must notify their Advisors prior to seeing the PT to get approval for the appointment.
- Reasonable accommodations will be made for absences due to religious observances. Students are encouraged to tell their instructors and Faculty Advisor in advance of any planned absences for religious observances.
- Satisfactory artistic and technical ability in class do not outweigh a deduction in grade due to poor attendance.

**Certificate, Independent Study & Scholarship Program Attendance Chart**

Students who are in danger of falling below a “B minus” grade due to excessive absences will be required to meet with The Ailey School Co-Directors and risk being placed on probation and/or dismissal from The Ailey School.

Ailey II Attendance Policy

Ailey II students are required to attend company class every day before rehearsal begins. During periods when rehearsals are not scheduled and Professional Division classes are in session, Ailey II students are required to attend one class per day (during the academic year), and two classes per day (during the summer session). These classes must include ballet three times a week, and Horton or Graham-based modern twice a week. Attendance in a daily company class is required when Ailey II is on tour. Absences will be monitored by instructors in each class or by the Ailey II Artistic Director.

Leaves of Absence

**Students must take the following steps for extended medical or personal absences:**

**Medical Absence/Leave** - Students who miss, or expect to miss, 5 consecutive days or more due to illness must take the following steps:

1. Contact their Faculty Advisor by email to a request a ‘Medical Absence/Leave’ in writing on the first day of the absence. The Advisor will send a *Medical Absence/Leave form* for the student to complete and submit by email within 36 hours.
   - BFA students - email the completed request form to BFA-Leave@alvinny.org AND their Faculty Advisor.
   - Certificate, Independent Study, and Scholarship students - email the completed request form to PD-Leave@alvinny.org AND their Faculty Advisor.

2. Upon the student’s return/recovery, they must submit a *Medical Excuse Form* and submit it to Mr. Inman or Ms. Person. The Medical Excuse Form must be signed by a Physician or Physical Therapist and state the expected start and end dates of the student’s absence and the diagnosis. Student must sign the Medical Absence/Leave form at that time.

3. The Ailey School Co-Directors will review the request and determine if the absences can be excused without compromising the students’ grades. *Medical Absences/Leaves will not be approved without a signed doctor’s note indicating the diagnosis/cause for absence.*
Personal Leaves of Absence

Students may request a Personal Absence/Leave for emergencies beyond the student's control and other extraordinary, mitigating circumstances. As soon as the student is aware that they will miss classes, they must take the following steps:

1. Contact their Faculty Advisor by email to request a Personal Leave. The Faculty Advisor will send a Personal Absence/Leave form for the student to complete and submit by email within 36 hours. BFA students - email the completed request form to BFA-Leave@alvinailey.org AND their Faculty Advisor. Certificate, Independent Study, and Scholarship students - email the completed request form to PD-Leave@alvinailey.org AND their Faculty Advisor.

2. The student must attach written proof verifying the reason for the absence.

3. The Ailey School Co-Directors will review the request and determine if the absences can be excused without compromising the students’ grades.

Make-up for absences: Students are required to make up the coursework they have missed by observing additional classes upon their return and submitting a written journal, or other agreed upon written assignment, to their Faculty Advisor and to The Ailey School Co-Directors. Students must observe one technique class (to be agreed upon by the student and Faculty Advisor) and complete one journal entry for each day of the Leave or absence (ie: two week Leave = 2 weeks of observation and journaling). The make-up work must be completed and submitted within two weeks of the students return to class. If a Leave is longer than 2 weeks, the student may receive additional time to complete their make-up work.

Duration of leaves / Multiple leaves - If a medical absence or personal leave is for a total of 10 days or more, the Co-Directors may ask the student to take a leave of absence for the remainder of the term or the academic year. Requests for reinstatement will be considered on a case-by-case basis by the Co-Directors. Credit will not be given for courses taken when a student withdraws before the end of the term. Tuition will be charged according to The Ailey School's refund policy. At The Ailey School's discretion, tuition may be prorated for medical leaves of absence.

Other Absences

Workshops

Participating in repertory workshops is a crucial part of our students’ training. When they are chosen to participate in a repertory workshop, and if they have courses that conflict with the rehearsal times of the workshop, they must meet with The Ailey School Co-Directors’ assistants before the workshop begins. If necessary, a new schedule will be made that removes the students from the conflicting courses. The Student Record Specialist will mark this workshop period as “Wksp” in the faculty roll books. Students may or may not be placed in courses that substitute for those they dropped or not, depending on several factors, such as the number of classes and rehearsals they have on any given day and the proximity of their classes and rehearsals to one another. Students are requested to communicate with their teachers regarding any absences they have.

“Ailey Events” - Ailey School Approved Performances

Certificate Program seniors and BFA seniors (and selected students from other programs) are members of our School’s two performing groups, the Ailey Student Performance Group (ASPG) and the Ailey/Fordham Student Dancers (AFSD). Each group is booked for performances throughout the tri-state area as an important part of their professional training. The Student Record Specialist will mark them “P” for performance in the faculty roll books. Students must go to http://www.theaileyschool.edu/ailey-school/professional-division/current-students and fill out the “School Event Form” for all classes missed due to an approved Ailey Event. This must
be submitted within one week of the absence. **Please note:** Ushering for a performance does not fall into this category, as students should not miss class to do this.

**“Ailey Events” - Other**

Occasionally, students are required to participate in “Ailey Events” that are sanctioned by the School. Within one week of the absence, student must go to the [Current Students](#) page of The Ailey School website and fill out the “School Event Form” for all classes missed due to an approved Ailey Event. The Assistant to the Admissions Director will mark the missed classes accordingly in the faculty roll books.

**The following are approved Ailey Events.**

- Advisor/Evaluation Meeting
- BFA/Fordham Convocation
- BFA/Fordham Monday Schedule
- Jury Classes/Exams
- EFSD Events
- School Auditions (“Memoria”, repertory workshops)
- School Photo Shoots
- School Meetings
- School Tech/Dress, Performances, Workshops, Showings.

**Please note:** Ushering for performances does not fall into this category and students should not miss class to usher.

**External Audition**

Student must see their advisor before attending an external audition. This must be pre-approved from the advisor before attending the audition and an External Audition Form must be filled out between the advisor and the student. **Final Approval** will be determined by the School Director for absences to be excused. As a courtesy, Ailey II students must inform the Ailey II Artistic Director prior to attending an external audition or participating in outside projects or performances.

**Teacher’s Absence**

Instructors are responsible for arranging substitutes for any classes they are unable to teach. However, due to last minute emergencies, travel delays, and other unforeseen occurrences, instructors may be unable to make it to their scheduled classes. In the event of teacher lateness, students should alert Security within 10 minutes of the class starting time. Students should wait in the studio for 20 minutes and if the instructor has not arrived by that time, they may leave. Students who leave the studio before waiting 20 minutes will be marked absent, even if the instructor does not arrive to teach.

**Grading**

The purpose of grading is to provide each student with an assessment of his/her progress during the term. The grade is meant to reflect the student’s work and progress during the term. Grades should be used by students to help understand where they have succeeded and to identify aspects and areas that need improvement. Each student is evaluated by every teacher with whom he/she studies. Students enrolled at The Ailey School will receive letter grades on their evaluations. The student's physical performance is considered as well as categories which refer to the student's behavior, attitude and work habits in class. The following are guidelines in determining a student's grade each term.

**Attendance:** Perfect or near perfect attendance is essential. Please refer to the attendance chart that corresponds to your program for instructions on how to calculate the effect of absences have on grades.
Students whose progress has been impaired by excessive absences risk failing a course. **Technical progress:** Students must demonstrate technical progress. Students are expected to have the highest level of focus and commitment, as well as the ability to retain corrections and material. **Artistic progress:** Students are expected to demonstrate notable artistic progress in areas of dynamics, musicality, projection and phrasing. **Other areas:** Students are expected to exhibit the highest level of work ethic. Students must demonstrate proper classroom etiquette and observe the dress code and other rules and regulations of the School. **Note:** Attendance and performance in class during the period between the writing of student evaluations and the end of the term will be considered when determining the students' final grade.

*GPA = grade point average  **All students are required to attain at least a C grade in order to pass their courses.

**Evaluations**

In the last month of each term, all Professional Division Students will receive written evaluations from each of their teachers. The Registrar assigns each student to a Faculty Advisor or to one of the Directors of the School for an evaluation conference in which the student's evaluations and program completion requirements are reviewed. At that time, tentative grades and a schedule for the subsequent term is given.

At the mid-point and end of the fall and spring terms, the Registrar completes each student's attendance record and receives final grades from the faculty. In the summer, only Scholarship students who plan to continue their enrollment in the fall will be given evaluation conferences. Summer Intensive students who are receiving credit for their studies and do not plan to stay at the School may request an official transcript by submitting a letter from their school on the school's letterhead by the end of the first week of the Intensive.

Ailey II students will receive an evaluation twice a year by the Ailey II Artistic Director.

**Transfer Credit Policy**

Each program has a separate policy. Transfer credits are accepted for the Ailey/Fordham BFA Program according to Fordham University’s policy on transfer credits. Transfer credits for the Certificate Program are granted for Dance Academic Courses only, and on a case by case basis after review of the course curriculum and credit hours for which transfer credits are requested. Transfer credits are not accepted for the Independent Study Program or the Scholarship Program.

**Probation**

TheAileySchool.edu
**Students may be placed on probation for any of the following reasons:**

- Excessive class absences resulting in a failing grade in any course
- Unsatisfactory or limited progress in assigned courses
- Non-completion or unsatisfactory completion of assigned Scholarship Program work hours in the School
- Unauthorized leaves of absence and early departures before the last day of the term
- Unacceptable behavior inside the School.
- Unacceptable behavior outside of the School when serving as a representative of The Ailey School.

A student’s continued enrollment in the Professional Division is contingent upon their meeting Satisfactory Academic Progress requirements. The Ailey School staff closely monitors both the attendance and faculty and staff evaluation of all aspects of the student's work when a student is placed on probation. BFA, Certificate and Independent Study students who are on probation for poor attendance may be dismissed from their Program if they continue to accrue excessive absences. Probation for third year Certificate students means that they would not be able to graduate with their class and would have to attend for another semester. For those Certificate and Independent Study students receiving federal financial aid, absences from class will result in a reduction of the amount of their financial aid. Furthermore, unsatisfactory progress in courses will lead to probation, and, if not significantly improved upon in the subsequent term, can result in the discontinuation of aid and termination from the Program. Those Scholarship students who are on probation and who fail to rectify their status will not be permitted to re-audition for the Scholarship Program. Ailey II students who are consistently late to, or absent from rehearsals may be placed on probation.

**Dismissal**

The Ailey School maintains the right to dismiss any student who does not abide by its rules and regulations. The Ailey School tries to avoid taking this extreme measure by providing individual counseling services through its Faculty Advisors and selected administrative staff members, including The Ailey School Directors.

**Withdrawals, Refunds, & Financial Aid Repayment Policies**

In order to obtain an official withdrawal, students must submit a Withdrawal Form to their Faculty Advisor, who will then submit it to The Ailey School Directors. The tuition charge will be assessed according to the student's last date of attendance and the school’s published refund policy.

**Advisement & Counseling**

The Ailey School recognizes the value of clear and frequent communication among students, faculty, and staff and the importance of mentoring in the learning process. To that end, the school has established the following channels to communicate with and advise students:

- Faculty Advisors and staff, including The Ailey School Directors, reserve weekly conference time to advise and mentor students on artistic, procedural and personal concerns. The staff is careful to make referrals to a range of recommended professionals when appropriate. In addition, faculty members make themselves available, upon request, to speak to students.

- Each term, The Ailey School offers a Nutrition and Wellness Seminar in which small groups of students are selected to attend.

- At the beginning of each fall term, students elect representatives from each full-time program who meets monthly with The Ailey School staff or Faculty Advisors. They act as liaisons between the staff and students, conveying concerns and responses and sharing information.
Schedule Changes
All BFA, Certificate, Independent Study, Summer Intensive and Scholarship students are permitted to take only those courses assigned to them by the Faculty Advisors. Students remain in one technique level all year long, unless a change in level is recommended by an instructor. Requests for schedule changes can be made only within the first two weeks of the term. Ailey/Fordham BFA students are subject to Fordham University’s add/drop deadlines. Requests are not permitted during the 6-week summer term. All requests for schedule changes must be made in writing to a student’s Faculty Advisor and are subject to the approval of the both teachers of the courses to be added and/or dropped, and of The Ailey School Directors.

Workshops & Repertory Classes
Artist-In-Residence (AIR) Workshops and Repertory courses are offered to give The Ailey School’s intermediate and advanced students rehearsal and performance experience. BFA, Certificate, Independent Study, Summer Intensive and Scholarship students who meet the required technique levels may audition for AIR and Repertory Workshops. Technique levels are established in ballet, Horton, and Graham-based modern for each workshop/course as audition parameters for students. The Ailey School Directors reserve the right to grant special audition permission to selected students who may not meet all required levels. The School requests that each student carefully read the audition announcements and attend the audition only if he/she meets the technique level criteria. With input from The Ailey School Directors, the choreographers choose students from auditions to participate in each AIR Repertory Workshop.

Beginning and advanced-beginning students may take master classes and open workshops offered during the summer and periodically throughout the academic year. While The Ailey School regards these special workshops and classes as an important addition to the curriculum for the more advanced student, they are considered an adjunct to and not a replacement for regularly scheduled technique courses. Students with an academic or creative studies class conflict will not be permitted to participate in the Workshop or Repertory course. Selected students are expected to arrive punctually, to be fully warmed up and ready to dance "full out" for every class or rehearsal. Excellent attendance and professional behavior are requirements for continued enrollment in the Workshop/Repertory course and for participation in subsequent Workshops and school performances and Ailey Company performances.

In order to give the maximum number of students an opportunity to learn and perform repertory for the school’s performances in July and January, students, if chosen, may participate in one Workshop, unless recommended by The Ailey School Directors for additional auditions.

The Ailey School’s annual school Spring Concert and the Alvin Ailey American Dance Theaters (AAADT) performances of "Memoria" at City Center are two occasions when members of AAADT and Ailey II perform with the School’s most advanced students. Unlike other school performances for which the goal is to give performance experience to a large number of intermediate and advanced students, these performances showcase for artistic directors and choreographers those students who are most advanced and ready to enter the profession. Required technique levels for these auditions are higher than for those at other times.
Performances outside of The Ailey School

The Ailey School considers performances with outside professional companies a beneficial experience for its advanced students. Students must request permission from the Directors to rehearse and perform with outside artists. At times, Faculty Advisors or the School Directors may also recommend an advanced student to participate in outside auditions and/or workshops. These commitments usually require students to miss classes, which is permissible only for advanced students. The Ailey School discourages its elementary and intermediate students from seeking professional experience until it considers them sufficiently prepared.

Continuation in Another Program

Students may audition to continue training at The Ailey School in another program after they satisfactorily complete the program they are currently enrolled in. The student must then follow the admission/audition process for acceptance to the new program. Permission to audition for another program is always contingent upon review of the student’s past evaluations and attendance records. The Co-Directors’ reserve the right to refuse the student permission to audition for further study at The Ailey School.

*Students wishing to apply to the BFA Program as a transfer student must make an appointment with the BFA Program Director for instructions on how to do so.

Work /Study Schedules

All Certificate and Independent Study students who receive Federal Work-Study (FWS), as well as Scholarship students, are required to work weekly in The Ailey School or Ailey Foundation offices for a specified number of hours. The School Administrator schedules and oversees work assignments for all Scholarship, Certificate and Independent Study students by recommending specific work opportunities in the Ailey organization. All of these students are evaluated by their supervisors at the end of each term; those who perform these work duties unsatisfactorily or incompletely can be dismissed from that position, placed on probation, or barred temporarily from class to make up the missed work hours. Scholarship students who are delinquent with their work hours more than twice during a term, will be terminated from the Scholarship Program. FWS recipients risk a reduction in or a cancellation of their financial aid award for unsatisfactory or incomplete work.
Certificate Program

Dance academic and Creative courses
Certificate students are required to take dance academic and creative studies courses offered at The Ailey School. Scholarship students have the option of taking one academic course per semester. If failed, these courses may be repeated once for credit.

At the discretion of the instructor, a final grade of "Incomplete" can be given to a student. It is the student's responsibility, before the end of the subsequent term, to make the necessary arrangements with that course's instructor for the completion of the work. When these arrangements have been made and the work completed and submitted to the instructor, the instructor will submit in writing to the Registrar the student's revised grade. Grades of "Incomplete" automatically become "Fail" or "F's" at the end of the subsequent term, if the work has not been completed.

Students who have passed equivalent Music, Dance History and Theater Arts courses in U.S. colleges and universities may request to be exempted from these courses at The Ailey School. They must first discuss their request with the teacher of the course and provide the Registrar with an official transcript from their college or university that lists the course(s) and grade(s). The Ailey School Directors then review the student's request and transcript and notify the Registrar of their decision. Students may contact the Registrar for a report of this decision.

Value of Certificate Program credits:  
*Courses attempted are measured in both credit-hour & clock-hour values.*

The number of credit hours a student earns for each course successfully passed is calculated as follows:  
★ A student earns one (1) credit-hour for each one-and-a-half (1.5) hour class successfully passed during the spring or fall term  
★ A student earns one-third (.33) credit-hour for one-and-a-half (1.5) hour class successfully passed during the summer term.

Concurrently, the number of clock hours a student earns is based on the number of hours they are in class plus preparatory and recuperative time outside the course. As technique courses are taught in one-and-half hour units, students earn an equivalent two (2) clock hours for each one-and-half hour of instruction: for (1.5) hour of instruction plus .5 hour of preparation and recuperation.

Value of Certificate Program grades

**Technique Courses:**
Following auditions, students are placed in technique courses according to their level of proficiency. Students are evaluated in each course at the end of every semester they complete. Technique courses are graded on a Pass/Fail or letter-grade basis. Courses are repeatable for credit until students are promoted to the next level of technique.

**Dance theory/academic courses:**
Dance theory/academic courses are graded on either a PASS/FAIL or letter grade basis. In the event a student does not receive a C or better for an attempted course, it may be repeated once. As all theory/academic courses must be taken in sequence, students cannot advance to the next course level, unless they have passed the prior level of instruction as listed below:

- Improvisation is a required prerequisite for Dance Composition I.
- Dance Composition I is required prerequisite for Dance Composition II.

A grade of "Incomplete" automatically becomes a failure, or "F", if not completed at the end of the subsequent semester or the next semester the course is offered. For purposes of measuring a student’s satisfactory progress, or advancement to the next level of instruction, a grade of "Incomplete" is not considered a passing grade. An "Incomplete" is the only grade that can be changed.

**Credit will be awarded for the following grades:**
Percentage of course material passed  
"Pass" 60% and above  
"A" 90-100%  
"B" 80-89%  
"C" 70-79%

**Credit will not be granted for the following grades:**
Percentage of course material passed  
"D" 60% or below  
"FAIL" 59% or below  
"F" 59% or below  
"I“ “Incomplete” automatically becomes "Fail" unless the student successfully completes the work or retakes the course and the grade is changed by the course instructor. Students are not permitted to enroll in the next academic course level until they receive a Passing grade.  
"W" "Withdrawals" are excluded from Satisfactory Progress measurements.
**Independent Study Program**

The following chart illustrates for **Independent Study Students** the technique courses that must be successfully passed per semester in order to receive a Letter of Completion after one year.

Satisfactory Progress Guidelines

Certificate Program Satisfactory Progress Measurements:
As this program is designed to allow the advanced beginner to meet certificate requirements within three years, students are expected to pass 100% of the courses. Should a student fail a course, they will be placed on probation in the subsequent semester. This student is expected to repeat any courses that they have failed. The student will not make satisfactory progress if the courses are failed again, and will not be able to receive financial aid unless satisfactory progress is restored. Certificate Program students are not allowed to extend enrollment into a fourth year.

Independent Study Program Satisfactory Progress Requirements
This one year program is designed for high school graduates and college students who wish to further develop their technical proficiency in Horton and/or Graham-based. Students may attempt 12 - 15 technique classes, including 1 elective (5 x per week) per term. To maintain Satisfactory Academic Progress, and to receive a Confirmation of Study, students must successfully pass 100% of the courses they attempt to complete each term. Students may request permission to enroll in for a second year to further develop their technical proficiency provided the student has successfully completed 100% of the courses he or she has taken during the first year, and are able to take courses that are at next technical level from the ones completed.

Scholarship Program
This is a highly competitive one to three year renewable program is for the intermediate/advanced dancer. As a limited number of Scholarships are awarded on a one year basis by audition, students are expected to uphold the highest standards of artistic and academic achievement, and excellent attendance. Students are expected to pass 100% of their courses in order to successfully complete each year of enrollment and be eligible to re-audition for continuance in the program. Scholarships students are expected to maintain the Code of Conduct and standards of excellent behavior at The Ailey School, and when serving as a representative outside of the School.

Appeal Procedure for Academic Probationary Status
You may appeal your probationary status in writing to the Directors of the School. The written conclusions of the Appeal Committee (composed of the Directors of the School and two selected members of the school administrative and/or teaching staff) will be forwarded to you by the office staff within two weeks of the appeal.
For a successful appeal, the following factors are considered in re-determining whether you have made satisfactory progress:
Unusual circumstances such as extended illness or injury when properly documented.
Quality of written or oral work in dance academic \ theory courses.
Attitude and participation in courses.

**Procedures for Determining Placement & Technique Levels**

1. The Ailey School has a codified teaching method and syllabus for each level of the technique it offers. Students’ placement levels are determined by the faculty’s assessment of the student’s individual proficiency in each technique as taught at The Ailey School.

2. Students must sign their placement forms in agreement of the levels they are placed in by The Ailey School faculty before they will be allowed to start class.

3. The Ailey School Faculty Advisors are available to discuss curricular and artistic issues with enrolled students. The Admissions Director is available to answer questions by e-mail or telephone regarding non-curricular and administrative issues with students and their parents. Curricular and artistic issues are not discussed with persons other than the students.

**Workshop Selection & Audition Guidelines**

1. Repertory workshops with guest choreographers have minimum technique level requirements which have been determined by the choreographer and School Directors.

2. Auditions for Summer Intensive repertory workshops take place during the first week of the summer program, after student technique levels have been determined.

3. Women are allowed to participate in one repertory workshop. Men are allowed to participate in up to two workshops.

4. Students who are chosen for a repertory workshop will have their schedules adjusted so that they do not exceed 15 technique classes per week, including the workshop.

5. Students who audition for more than one workshop will be placed in the first workshop they are chosen for by the choreographer. For example, if a student auditions for and is chosen for a workshop at 10:00AM on Wednesday, and another one at 3:00PM on Thursday, he/she will be placed in the Wednesday workshop regardless of preference. Please keep this in mind when choosing which workshops to audition for!

6. Students are required to attend ALL workshops, dress rehearsals, and tech rehearsals.

7. All full-time students are required to usher for one school performance per year during their enrollment at The Ailey School.

8. Students who are in repertory workshops may purchase tickets to only one performance that they appear in.

9. Performance programs are determined by the School Directors two weeks prior to the performance date.

10. Tech rehearsals are open to students. Dress rehearsals are NOT open to students.

11. Neither tech nor dress rehearsals are open to the public or guests of the performers.

12. Videotaping of performances is strictly forbidden by anyone other than The Ailey School videographer, or the choreographers.

13. Copies of The Ailey School video recordings are not for sale, but may be viewed in The Ailey School by requesting the permission of the Studio Manager.
Section 4: Student Life

Physical Therapy Services
The Ailey School offers Physical Therapy Services (PTS) to all full-time enrolled Professional Division students. A Physical Therapy fee each semester covers 6 visits. If a student wishes to utilize the Physical Therapy Services more than 6 times, they must pay another fee. PTS offers an excellent opportunity for dancers to learn about their own bodies. The on-site physical therapy room is equipped with strength and cardiovascular equipment for cross training, including lower and upper extremity bikes, treadmill, a Pilates Cadillac (reformer and trapeze table), free weights, cable columns, rotation discs, trampoline, and balance equipment. An ice maker is placed outside the PT room if a student needs ice when the room is not open. The Physical Therapists at The Ailey School are not medical doctors. They do not offer diagnoses of medical problems or physical conditions that are beyond the range of those that are likely to occur in class or during rehearsals. However, they are doctors of physical therapy and are trained to evaluate the musculoskeletal system and identify movement problems. Physical Therapists will offer evaluations of injuries and suggest treatment options. They will also evaluate ‘problems’ that you may have specific to certain dance movements. Often these are problems of alignment and corrections of these issues may prevent injury from occurring. The following services are offered by The Ailey School Physical Therapists:

- Injury clinics conducted by one of the physical therapists, which address minor aches and pains before they become major injuries.
- Dancers are individually evaluated by one of the physical therapists and advised on how to manage their injury and/or modify their activity. More serious injuries are referred to a physician for additional care. The physical therapists can direct you to a dance medicine specialist if an orthopedic physician referral is recommended.
- A note will be provided to the student’s advisor if recommendations are made by the therapist to limit participation in class (for example, no jumping). The advisor will provide a copy of the approved note to the student, who must then show it to their instructors.
- Students enrolled in the BFA Program are given annual dance screenings in order to identify 1) "red flags" that may put the dancer at risk of serious injury, 2) assess whether the student is in need of corrective stretching or strengthening exercises, 3) evaluate students’ cardiovascular conditioning. A workshop follows to explain screening results such as alignment, joint motion, technique compensations and offer information about how to have a healthy dancing experience during their time at The Ailey School. Students are asked to make a PT appointment if they require further counseling.

Making Appointments
You must make an appointment to see a Physical Therapist. “Walk-ins” are not allowed. Students can sign up for an appointment with the Second Floor Receptionist, Ashley Henry, or one of the other receptionists. Parents should not call the PT room to make an appointment. The sign up list is at the 2nd floor reception desk and the therapist does not have access to it. A limited number of appointments are available each week. Students cannot add additional time slots if there are no more appointments available on any given day.
The PT room is located on the 3rd floor. Please arrive no earlier than 10 minutes before your appointment. Please come into the PT room and identify yourself to the student worker. If this is your first visit, you will be asked to fill out a half page of information. If this is a follow up visit, you only need to put your name and date on the form. The Physical Therapists keep notes on your evaluation and intervention, therefore, they need a new sheet each time. Please wear the appropriate garment so that your injury can be addressed properly. For example, if your injury is a knee injury, please do not come to the PT room in a unitard. Wear shorts so the PT’s can access the skin area from your thigh to your foot. Cell phone use is not permitted in the PT room. Because the room can sometimes get crowded with dancers using equipment and being treated by the PT, we ask that you keep respect your colleagues and keep conversations low.

**P.T. Emergencies**

An emergency is defined as “An urgent need for assistance or relief; or, a condition that would potentially require an ambulance or hospitalization.” A chronic condition or injury that is acting up is not an emergency. A pulled muscle, an over-worked or sore muscle/tendon, or a mild sprain, are also not considered emergencies. Please keep this in mind when requesting to be seen by a PT because of an “emergency”.

**Physical Therapy Staff Contact info:** 212-405-9073
Sheyi Ojofeitimi, DPT – Director of Physical Therapy  sojofeit@gmail.com

**Student Representatives**

Student Body Representatives are assigned at the beginning of each fall term and hold their position for one academic year. Student body reps act as liaisons between the students and administrative staff and are expected to attend one (1) school staff meeting per month. One candidate will be selected for each of the full time programs. Student reps must have attended their program for at least one semester in order to be eligible. If you are interested in running for a Student Body position, or if you wish to nominate a fellow student, please pick-up an application packet from Carlos Taylor, Assistant to the Co-Director, in the 2nd Floor school administrative office by the second Wednesday of the fall term. No late applications will be accepted.

**International Students**

The Ailey School fosters the exchange of intellectual, artistic and cultural ideas among its student body, faculty and staff by promoting an attitude of inclusiveness, non-discrimination, and respect for individuality. The School has hosted students from over 65 countries worldwide and offers international student advisement and resources on a daily basis through the Admissions Office, located on the 2nd floor of the administrative offices. *The Ailey School is authorized by federal law to issue the I-20 Certificate of Eligibility for F-1 Non-immigrant student status to students who qualify.*

**Student Meetings**

All Professional Division students are required to attend all student meetings and special lectures scheduled periodically throughout the year. Those students who are unable to attend because of illness or job conflicts must be excused by The Ailey School Directors, prior to the meeting or lecture. Notice of these meetings and other pertinent information are placed on bulletin boards and in other strategic locations throughout the school facilities. All students are expected to read these materials and to be fully informed.
**Student I.D. Cards**
The Ailey School identification (ID) cards are authorized by the Registrar’s Office and are issued to new Certificate, Independent Study, and Scholarship students during the fall and/or spring registration period.*

Students must see the Registrar to get a new expiration date on their ID card at the beginning of every term they enroll for. You must carry your official ID card at all times and present it upon request to any member of The Ailey School Administrative or Security Staff. If you are unable to present an ID card, you may be asked to leave the building. The ID card is issued for your exclusive use only. **Security**

Campus Security

AADF does not condone malevolent behavior of any kind. Students are asked to report to the School Administrator or Security Supervisor, any incidence of physical assault, sexual molestation (forced, or not), manifestation of prejudice, or theft occurring on campus. Guilty parties may be subject to disciplinary action by AADF. In cases of criminal activity, the Security Supervisor
will assist students in filing an incident report with the New York Police Department (NYPD) 18th Precinct – Midtown North (212) 767-8400, located at 306 West 54th Street.

Statistics concerning the occurrence reported offenses for the three previous calendar years on campus are found in this document. AADF is also committed to providing an environment that is safe and secure. The annual security and fire safety compliance document is available from the Facilities Manager upon request. The document contains information regarding campus security and personal safety including: crime prevention, fire safety, crime reporting policies, and disciplinary procedures.

Access to Campus Facility
AADF’s facility, The Joan Weill Center for Dance, houses Alvin Ailey American Dance Theater (AAADT), Ailey II, The Ailey School, The Ailey Extension, and Aliley Arts in Education and Community Programs and is located at 405 West 55th Street (corner of 9th Avenue). Campus Security Programs
Printed material concerning security procedures and practices are distributed to the community via The Ailey School Student Handbook, AADF’s Personnel Handbook, and The Ailey School Faculty and Musician Handbook. The handbooks describe security procedures and practices. New students attend a mandatory orientation meeting during which the Security Supervisor discusses safety and fire procedures. All students attend safety meetings during the academic year and in the summer during which a variety of other topics are presented including acquaintance rape and sexual harassment.

Safety
Procedures for reporting criminal actions
Criminal activity in The Joan Weill Center for Dance should be reported to the main entrance Security Desk (ext. 9002). The complainant should file an incident report with the assistance of security staff personnel. In both cases, criminal activity should be reported to the New York City Police Department by the complainant. In certain cases, AADF administration may choose to file a complaint with the Police Department on behalf of the complainant. The Chief Financial Officer and Director of Operations and Special Projects receive a copy of all completed Incident Reports. Other senior administrators are notified of emergencies as necessary.
**General safety information**

While national statistics show that New York City has a lower crime rate than that of many other major U.S. cities, it still requires practicing safety to avoid trouble. Just a little common sense can get you through almost any situation you may encounter in the city.

**In General:**
- Enter the phone number of an emergency contact person in your cell phone under the contact name **ICE (In Case of Emergency)**. This would enable anyone to call your emergency contact from your phone in the event that you are unable to contact them yourself.
- Remain alert. Be aware of your environment and of those around you.
- Carry a bag that fits close to your body or that you can hold securely in front. A dangling bag can be easily yanked off your shoulder from behind.
- Dress appropriately, especially woman. Do not wear revealing dance clothing as regular street wear.
- Avoid shortcuts that are not well traveled or well lit, including alleys, parks, and parking lots that may be isolated.
- Keep your wallet/all valuables in your front pocket.
- Have your keys ready when you enter your apartment or room so that you won’t have to stop to look for them.
- If at all possible, do not walk alone at night. If you must, stay on well-lit, well-populated streets.
- Walk briskly, look alert, and appear to know where you are going—even if you don’t!
- Always walk with confidence. It helps if you take the time to become familiar with your environment.

**At School:**
- Don’t leave personal items unattended especially electronics or portable items. Take all personal belongings with you to every class and keep bags securely zippered.
- Report any suspicious activity or persons to the Lobby Security Desk, ext. 9002. Phones are located throughout The Ailey School building and can be used to call security from any floor.
- Always keep your locker locked.
- To ensure everyone’s safety, please abide by all policies in this handbook and in The Ailey School Student Handbook.

**At Home:**
- Keep doors locked at all times.
- Do not remove window guards on apartment windows.
- Do not keep windows adjacent to fire escapes open at night or when not at home.
- Always use caution and check the identity of a visitor before opening the door.
- At night, travel with a friend or choose to take a bus or taxi, if possible

**On the Subway:** (Tips from the NYPD web site)
- Be careful not to display money, your wallet, or electronic devices in public and never put your wallet in your rear pocket.
- Hold on to your pocketbook when using the shoulder strap.
- Be sure your necklaces, and other jewelry, are not visible.
- Do not doze or fall asleep on the train, especially late at night.
- Beware of loud arguments or noisy incidents. They could be staged to distract you in order to pick your pocket.
- Stand in the yellow “off-hours waiting area” in front of the token booth in subway stations.
- On subways, choose the most crowded car. If it’s late, use a middle car. (The conductor operates from the fifth car).

**Hospitals and Police Stations**

There is a hospital and/or Police Station in Almost every neighborhood of the five boroughs. It is recommended that you become familiar with the local Police Station in your neighborhood, which can be located at the [Precinct Finder at NYC.gov](http://www.nyc.gov). We have provided a list of precincts within walking distance of The Ailey School.

You can locate the hospital nearest you at the [NYC Health & Hospitals Corporation](http://www.health.nyc.gov) website.

**Emergencies**

Procedures for reporting emergencies

In the event of fires, or for other life-threatening situations, dial 911 immediately. If there is a Medical Emergency at any time in the building, call 911 immediately and then call the Security Desk at extension 9002 (If you call Security first, they will call 911 for you). When 911 is called, a dispatcher will ask for the company name, address to which the ambulance should respond (which is 405 West 55th Street), the patient’s exact location (floor number and specific area), the general nature of the medical emergency, the caller’s name and the callback telephone number. It is important for the 911 dispatcher to be told the general nature of the patient’s illness or whether the patient has been injured (from a fall, in an assault, etc.), so that the paramedics can immediately bring the appropriate equipment and medical supplies from the ambulance to the patient as soon as they arrive on the scene. If the emergency is during business hours (Monday – Friday, 9am – 5pm) and the injured/ill person is an Ailey School student, The Ailey School Administrator should be notified at extension 9514. After business hours and on weekends, Security will notify the appropriate staff members. For emergencies other than medical, Security staff will notify the appropriate staff members. AADF staff receives on-going training to enable them to effectively manage emergency situations.

Emergency response, fire safety and evacuation procedures

AADF maintains emergency procedure guidelines including a detailed evacuation plan. AADF community is notified of an emergency or dangerous situation through the building’s public address system, email, The Ailey School/AADF website or telephone system depending on the nature of the situation. A Crisis Management Team comprised of the Executive Director, Chief Financial Officer, Facilities Manager, and Security Supervisor, will determine if an emergency exists and will initiate emergency response procedures. The members of the Crisis Management Team will include other appropriate staff as needed. The nature of the situation and the safety of the community will determine the type of notification and content of the notification. The Office Manager is responsible for telecommunication messages; the Associate Director of Marketing is responsible for internet messages.

Students, Staff, and Faculty are advised to enter the phone number of an emergency contact person in their cell phone under the contact name **ICE** (In Case of Emergency). This would enable anyone to call your emergency contact from your phone in the event that you are unable to contact them yourself.

The Ailey School Staff considers plagiarism to be a serious violation of ethics. Students are expected to demonstrate academic integrity in all classes, both in the studio and in the classroom. The intentional or reckless taking of another’s ideas, movements, words and thoughts and presenting them as one’s own without proper credit is plagiarism. The Ailey School is committed to helping students develop original and creative work through composition courses and opportunities to present choreography at School performances. The Ailey School is also committed to helping students develop critical thinking and reasoning skills. Plagiarism in any form will not be tolerated at The Ailey School, including but not limited to, the taking of others’ ideas and movements when presenting choreography that is claimed to be original and the taking of others’ words and thoughts when submitting written papers for a course. For the purposes of this policy, ‘social media’ includes blogs, wikis, and networking sites such as (but not limited to) Facebook, Twitter, LinkedIn, YouTube, Vimeo, and Flickr. We appreciate your adhering to this policy when engaging in social media conversations.

Drug, Tobacco & Alcohol Use Policy
AADF expects all members of its community to assist in maintaining a drug-free environment. Any AADF employee, as a condition of employment, is expected to abide by the drug-free workplace policy. In addition, AADF is required by The Drug-Free Workplace Act of 1988 to notify all employees and students that they must report any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction.

Students cannot drink or possess alcoholic beverages of any kind on AADF property. From time to time AADF may allow the serving of alcohol during staff functions or social gatherings (e.g. holiday parties). Employees consuming alcohol at such events must act responsibly and assume all responsibility for their own safety and behavior.
Possible Disciplinary Sanctions and Penalties
Any employee or student found to be in violation of this policy will be subject to sanctions, including, but not limited to, mandatory referral for counseling and/or treatment, and termination of employment or enrollment.

Possible Legal Sanctions and Penalties
Local, state and federal laws make illegal use of drugs and alcohol serious crimes. Conviction can lead to imprisonment, fines and mandatory community service.

The Federal Controlled Substances Act, 21 U.S.C. 844, et seq., provides penalties of up to life imprisonment and significant fines for unlawful distribution or possession of a controlled substance. Notably, any person found to have unlawfully distributed such substances to a person under 21 may be punished by up to twice the term of imprisonment and twice the fines. The same applies to distribution of drugs in or within 1,000 feet of a college or school.

Federal penalties and sanctions for illegal drug possession of a controlled substance include but are not limited, to the following:
• First conviction: Up to one-year imprisonment and a fine of at least $1,000.
• After one prior drug conviction: At least 15 days in prison, and a fine of at least $2,500.
• After two or more prior drug convictions: At least 90 days in prison, and a fine of at least $5,000.
For a schedule of penalties, see http://www.justice.gov/dea/druginfo/ftp_chart1.pdf. Additional penalties may apply under various New York State drug and alcohol laws.
New York law also addresses the illegal sale or possession of alcohol. Below is a list of some offenses and penalties:
• Procuring alcohol for a person under the age of 21 carries a penalty of up to five days imprisonment and a $200 fine.
• Driving while intoxicated (by either drugs or alcohol) is a misdemeanor punishable by up to a year imprisonment and a fine of up to $1000.
• It is in violation of state law for a person under the age of 21 years to present false evidence of age to procure alcoholic beverages. The penalty for a first violation may include a fine and community service.
The above lists include only a sampling of the current federal and state penalties and sanctions for conduct involving drugs and alcohol, all of which are subject to change. Additional federal, state and local penalties and sanctions may apply.

Health Risks Associated With AOD Abuse
Even “recreational” drug use or “social” drinking may be toxic to your body. Further, if abused, drugs and alcohol can have catastrophic consequences on your health, including damage to the heart, lungs, brain, liver, gastrointestinal track, and other major organs and systems. Alcohol-related accidents are the number one cause of death among people ages 15 to 24, while highly potent drugs such as crack cocaine can be fatal even upon a first, experimental use.

Substance abuse is one of the most pervasive medical and social problems of our time and will make every effort to treat a student or employee’s problem with confidentiality and compassion. However, AADF’s mission requires a drug-free environment and all appropriate measures will be taken to ensure that it remains so. AADF encourages individuals with alcohol or other drug-related problems to seek assistance. Some community based resources include:
Smoking Regulations
In accordance with government regulations, AADF prohibits smoking in any part of its building, including private offices, private rooms, hallways, and restrooms. Smoking is also prohibited within 25 feet of any building entrance. Employees or students smoking in any non-smoking area may be subject to disciplinary action up to and including termination of employment or enrollment (for students).

Open Door Policy
AADF is committed to maintaining a positive, pleasant, and harassment-free academic and work environment, and believes in maintaining an Open Door Policy. Accordingly, students are encouraged to see the Co-Directors of the School or a Faculty Advisor with suggestions, questions or problems relating to your studies or work (if applicable). Students are also invited to contact AADF’s Human Resource Department, directly, or any other AADF management representative.

Policy Against Sexual Harassment, Discrimination & Other Unlawful Harassment

Anti-Discrimination Policy
The Ailey School has a policy of “zero-tolerance” with respect to discrimination or harassment. The Ailey School expressly prohibits any form of discrimination or harassment because of race, color, religion, sex, national origin, citizenship, veteran status, age, physical or mental disability or other impairment, marital status, sexual orientation, genetic information or any other consideration made unlawful by applicable federal, state, or local laws. The Ailey School expects all members of its community, as well as its visitors, to be treated equally based on merit in all aspects related to its educational programs and activities. What is Prohibited Harassment?
Harassment prohibited by this policy is any unwelcomed verbal or physical conduct that belittles or shows hostility or aversion towards an individual based on his or her protected characteristics or which creates an intimidating, hostile or offensive (academic or working) environment that interferes with an individual’s peace of mind, (academic or work) performance or adversely affects (academic or employment) opportunities. Harassment which is prohibited by this policy includes, but is not limited to:

- Visual conduct, including displaying of derogatory objects or pictures, cartoons, graffiti or posters.
- Verbal conduct, including making or using derogatory comments, epithets, slurs and jokes.

The Ailey School also prohibits sexual harassment. Sexual harassment is defined as unwanted sexual or visual, verbal or physical conduct. Sexual harassment includes gender harassment and harassment on the basis of pregnancy, childbirth, or related medical conditions, and also includes sexual harassment of a person of the same gender as the harasser. With respect to sexual harassment, The Ailey School prohibits, among other conduct, the following:

- Unwelcomed sexual advances; requests for sexual favors; and all other verbal or physical conduct of a sexual or otherwise offensive nature, especially where:
  - Submission to such conduct is made either explicitly or implicitly a term or condition of academic progress or employment;
  - Submission to or rejection of such conduct is used as the basis for decisions affecting an individual’s academic progress or employment; or
  - Offensive comments, jokes, innuendos, and other sexually oriented statements. Such conduct has the purpose or effect of creating an intimidating, hostile, or offensive academic or working environment. Other examples of the types of conduct expressly prohibited by this policy include, but are not limited to, the following unwanted or unwelcomed conduct or contact:
    - Touching, such as rubbing or massaging someone’s neck or shoulders, stroking someone’s hair, or brushing against another’s body.
    - Sexually suggestive touching.
    - Grabbing, groping, kissing, fondling.
    - Violating someone’s “personal space.”
    - Offensive whistling.
    - Lewd, off-color, sexually oriented comments or jokes.
    - Foul or obscene language.
    - Leering, staring, stalking.
    - Suggestive or sexually explicit posters, calendars, photographs, graffiti, cartoons.
• Unwanted or offensive letters or poems.
• Sitting or gesturing sexually.
• Sexual or otherwise offensive e-mail or voicemail messages.
• Sexually oriented or explicit remarks, including written or oral references to sexual conduct, gossip regarding one’s sex life, body, sexual activities, deficiencies, or prowess.
• Questions about one’s sex life or experiences.
• Repeated requests for dates.
• Sexual favors in return for employment rewards, or threats if sexual favors are not provided.
• Sexual assault or rape.
• Any other conduct or behavior deemed inappropriate by AADF.

Disclosure
The Ailey School will take appropriate disciplinary action, up to and including termination of employment or dismissal, whenever there is a finding that unlawful harassment or any violation of this policy has occurred. Any student who believes that he or she has been the subject of sexual or any other form of harassment by another student, by an employee, or by a contractor or vendor of The Ailey School (or if they become aware of such harassment by another student), should make their complaint to The Ailey School Co-Directors. If it is not possible to make such a report or if the student is not comfortable making their complaint to The Ailey School Co-Directors, he or she should report it to a Faculty Advisor or AADF’s Human Resources Department. All complaints will remain as confidential as possible, consistent with the conduct of an effective investigation. However, The Ailey School may need to disclose certain information to carry out its investigation or to implement corrective actions that are deemed necessary.

Retaliation Prohibited
The Ailey School prohibits retaliation against any individual who reports conduct believed to be harassment or discrimination or who participates in an investigation of such reports. Any retaliation against a student who makes a complaint in good faith under this policy, including, but not limited to, intimidation, coercion, threats, or discrimination, will result in disciplinary action against the retaliator, up to and including termination of the retaliator’s employment or academic relationship with The Ailey School.

The Investigation
Any reported allegations of harassment, discrimination or retaliation will be investigated promptly. The investigation may include individual interviews with the parties involved. Also, when necessary, The Ailey School may interview individuals who observed the alleged conduct or have other relevant knowledge. The Ailey School will maintain the confidentiality of the complaint and/or investigation to the greatest extent possible. All members of The Ailey School community have a duty to cooperate with any investigation conducted by The Ailey School, regardless of whether the investigation is being conducted by The Ailey School or outside parties retained by The Ailey School for this purpose.
Responsive Action
Misconduct that constitutes discrimination, harassment or retaliation will be dealt with appropriately. Responsive action may include, but is not limited to, discipline or discharge of any individual whom The Ailey School finds has engaged in such conduct, or other action, as The Ailey School in its sole discretion deems appropriate under the circumstances.
If after investigating any complaint of harassment or discrimination, The Ailey School determines that the complaint is frivolous and/or was not made in good faith or that a student or employee has knowingly provided false information regarding a complaint, disciplinary action, up to and including termination of employment, may be taken against the employee who filed the complaint or who knowingly provided false information.

Grievance Policy
All members of The Ailey School community are expected to respect the dignity of others and support the welfare of the community as a whole. Students are expected to uphold the standards set forth in The Ailey School Code of Conduct and The Ailey School Policies & Procedures. If a student has a complaint or grievance that is not sexual harassment or discriminatory in nature, the student is encouraged to speak directly with the individual in question to resolve the issue. For situations in which the student does not feel comfortable with this method of resolution, the student should bring the issue to their Faculty Advisor who will discuss the complaint with the student and recommend other options for resolution of the matter, such as a discussion and/or meeting with the student and the person(s) involved in the complaint. If necessary, a mediation meeting with those involved and the Co-Directors of the School may be necessary. If the complaint is against another student, and the complaint is determined to have basis after the above methods are exhausted, the student in question will be subject to disciplinary action, including but not limited to, reprimand, probation, or dismissal. If the complaint is against a faculty or staff member, and the complaint is determined to have basis, the appropriate disciplinary actions will be taken by The Ailey School and/or AADT Administration. In the case of all grievance complaints, a confidential statement written by the student/complainant may be requested and kept on file. However, if the complaint is determined to be unfounded, no record of the complaint will be kept on file.

Intervention Policy
By enrolling at The Ailey School, a student acknowledges and agrees that the School has the right to be concerned about the health, safety and welfare of its students, staff and others that may be on the school premises. Accordingly, by enrolling at The Ailey School, a student expressly consents to and authorizes the School to contact a student’s spouse, parent(s), colleague(s) and other persons known to be associated with the student should the School, in its sole discretion, believe that the students’ conduct may be potentially harmful to him or herself or others, whether that conduct be caused by stress, mental disturbance or disorders, use or abuse of additive substances, or any other reason.

Furthermore, by enrolling in the School a student consents to and authorizes The Ailey School to refer them to physicians, psychiatrists and/or other physical and/or mental health personnel of the School’s choice for evaluation and/or treatment, or take such action as the School may deem appropriate, including but not limited to temporary or permanent suspension of the student’s residence housing and/or enrollment in the School.
**Disclaimer:** The Ailey School Health and Medical Resources are offered as a general reference guide to The Ailey School community.
